DELTA NU INITIATES 355

On Sunday morning, May 17, 1964, Delta Nu Chapter of Tau Kappa Epsilon initiated 31 men out of our Spring pledge class of 34, making 355 on our scroll. This was our second biggest pledge class that the men of Delta Nu had ever initiated. We are all pleased and proud of the high quality and caliber of men we now have.

The following men are Tekes at Delta Nu and proud FRATERS: Larry Apple, Des Moines, Iowa; Bill Baker, Algona, Iowa; John Banning, Knoxville, Iowa; Gary Beatty, Prescott, Iowa; Norm Brown, Villisca, Iowa; Tom Catlett, Hamburg, Iowa; Bill Davidson, Des Moines, Iowa; Bob Garms, Algona, Iowa; Larry Gerdes, Manson, Iowa; Mike George, Maryville, Missouri; Dick Graw, Marshalltown, Iowa; Duane Hankins, Norwalk, Iowa; Phil Hansen, Harlan, Iowa; Jim Holtz, Des Moines, Iowa; Steve Hoy, Falls City, Nebraska; Gary Johnson, Storm Lake, Iowa; Walt Johnson, Kansas City, Missouri; Ron Jones, Dawn, Missouri; Allan Julius, Manson, Iowa; Doug Keever, Maryville, Missouri; Jerry Knauss, Guthrie Center, Iowa; Ed Locker, Grinnell, Iowa; Ron Mitchell, Storm Lake, Iowa; Don Mittelstadt, Storm Lake, Iowa; Steve Neuroth, Storm Lake, Iowa; Russ Northup, Villisca, Iowa; Charles Riley, Des Moines, Iowa; Gene Ross, Rockwell City, Iowa; Kenneth Tanner, Ames, Iowa; Dean Willrett, Algona, Iowa; Bill Yeager, Independence, Missouri.

In Memoriam

Frater Slade Lee Jackson passed away April 15 as the result of neck injuries received diving into the 102 River. The funeral was held in Papillion, Nebraska, the following Tuesday; all fraters attended. A French and Spanish major, Frater Jackson was activated with the Spring pledge class of 1963. His parents have donated a silver coffee service to the house in Slade's memory; a large picture of Slade sits now on the mantle downstairs. All the men who knew Slade feel themselves better for having known him; his was a gathering flame, snuffed in a sudden storm.

growth of the Fraternity in his opening speech. The usual afternoon conferences supplied several interesting ideas, as did the evening conferences.

Another highlight of the conclave was the address given at the Sunday banquet. This address was given by a man well capable and qualified—Don Kaser.

Frater Richard Schmitz, Union Board Chairman last year and man about Maryville, richly deserved the Top Teke award, but the selecting committee felt another more deserving. All in all, the conference was worth the week-end.

THE JOCK SWINGS

Teke got off to a fast start in intramurals this spring sporting the top bowling team and placing third in total volleyball points.

With pledges Russ Northup (6'5") and Al Julis (6'4") leading the way the "Dingbats" took runnerup honors in the volleyball tournament. Fraters Gary Shaw, Doug Steele, Jim Meidinger, Terry Hiltabidle and Pledge Duanne Hankins rounded out this fine team.

Fraters Orlo Shroyer, Dick Shipley, Dan Hill and pledge Jerry Knauss took top honors rolling their way to the bowling championship.

As spring tug-of-war rolls around Teke hopes to retain their championship and with such notable returning lettermen as Don "Boom-Boom" Cannon, Dick "Strong Man?" Shipley, Mike "The Moose" Landry, and Van "Big Boy" Price, things look tough for Teke opponents.

When pledge sneak came in the middle of the indoor track meet and the pledges broke up already qualified relay teams, we had to forfeit indoor track to the wind. But the pledges are back now and we've been dutifully training them for the outdoor. Teke should take the outdoor easily enough for track is our strong spring sport.

Softball, swimming, badminton and cycling are the remaining spring intramurals. Teke like everyone else has its ups and downs, but with a strong swim team expected we should round out the spring with a very strong overall showing.

Lee King
Intramural Director

Delta Nu Named Top Chapter

The Great Plains Leadership Conference proved to be more than a good time and information to Delta Nu this year—the trophy for Top Teke Chapter came home again to Maryville.

The conference opened in the usual manner and then moved upstairs to the meetings. Things looked good for Delta Nu from the first—two pledges carried in the chapter petition and another brought Richard Schmitz' Top Teke petition. Another pledge (must have been a pledge!) forgot the tape recorder which would have narrated the display.

Bruce Melchart fed us up on the details of how Teke is tipping along nationally, pointing out the phenomenal
