## Homecoming 1970

All the thinking, worrying, long hours, work, money, and enthusiasm which is always put into Homecoming paid off big for Delta Nu this year. TKE garnered \$510 in Homecoming awards, the highest amount ever earned by any organization at MSC on Homecoming.

Homecoming day, Saturday, November 7, saw the Teke float, entitled "Bonnie and Clyde", bring Delta Nu first place honors. It consisted of a scale model old-time car, with live riders inside, and the First National Bank of Cape at the back of the float; with a small bank teller on the steps of the bank, watching as Bonnie and Clyde pull away. Special recognition goes to Glen Saving whom supervised the building of the float.

Designers and main builders of the house decoration, Dale Holcomb and Bruce Barlow need be credited for "Hang 'em High", which took second place. Second place in group clowns enabled TKE to take first place 1970 Homecoming Parade. In the Supremacy race, TKE finished second, barely off the winner's pace. Third place was about one hundred fifty points out of the running.

Following the Homecoming game, the Annual Alumni Meeting was held with the following Alumni in attendance: Roger Anderson #132, Jerry Lewis #148, Rod Burrell #187, Mark Renaud #205, Ron Cogdill #262, John Moble #274, Ed Propst #276, Bob Garms #332, Jim Holtz #338, Al

### ALUMNI BOARD

A temporary Alumni Board met with undergraduate officers on Saturday, December 12, to discuss the status of the chapter and the organization of an Alumni Chapter. The Alumni were: Roger Anderson, Bill Andrews, Bob Foster, Jim Holtz, Steve Neuroth, Ed Propst, Mark Renaud, and Rollie Stadlman.

The Board gained what they thought was substantial information about the current organization and operation of the Undergraduate Chapter. Plans were put into operation for an Alumni meeting which should be in March. The members of the Board are highly enthusiastic for a large turnout to make the meeting highly successful. Watch for more about this soon. You will be contacted through the mail within the next few weeks.

### ADVISERS

Delta Nu currently has three members of MSC's Faculty staff serving as advisers for the Chapter. They are: Dr. B. R. Quinn, head of the Psychology department; Rollie Stadlman, station manager for the campus radio stations, KDLX-AM and KXCV-FM; and Ken Hagan, Psychology instructor. Dr. Quinn and Mr. Stadlman were undergraduate members of Delta Nu and Mr. Hagan was an undergraduate member of Tau Kappa Epsilon at the University of Minnesota at Morris, Kappa Alpha Chapter.

### INTRAMURALS

Tekes are in third place in the intramural race at the time of this writing, after tennis, tug - o - war, wrestling, and football. In tennis, Russ Gallinger took first in the singles division for the Tekes and then teamed with Jim Wright (last year's singles champ) for first in doubles. Advancement to the quarter-finals came in football, where a tough loss ended hopes for a top spot there. Basketball has started with the Vandals now 5 - 0 and prospects very bright for three teams making it into the playoffs.

In Bowling TKE took first this year as Fraters Russ Gallinger, Harlan Anderson, Jim Wright, Russ Lusso, & Jim Waters combined talents with a 175-plus average for the team. They rolled for a total pin count of 2626, 150 pins better than 2nd place.

Attention Alumni -

Preparations are in order - the Red Carnation Ball is Friday, April 23<sup>rd</sup>. We need you there! The Alumni meeting scheduled for the first of Spring was cancelled due to unpredictable developments. So, that makes RCB doubly important this year. The Alumni meeting will start at 5:00 at the Merry Villa Motel. If this is too early for your schedule, get there as soon as you can after that - we'll be there. The pre-party will begin at 7:00, lasting until 9:00. Drinks will be furnished for you at the meeting. RCB will be in the Union Ball Room (5<sup>th</sup> floor) on the N.W.M.S.C. campus from 9:00 through 12:00. Dress will be semi-formal.

Again, we need you there. Plans for organization of an Alumni Chapter will be made at the Alumni meeting along with discussion of the financial problem facing Delta Nu. Remember, this will be your organization and the best way you can help Tau Kappa Epsilon is through the organization and running of an Alumni Chapter.

See you Friday, April 23<sup>rd</sup> at 5:00.
