NWMSU

OCTOBER 1974

Dear Fraters,

Your response to request for information about your present situation was overwhelming. Due to this all of them can't be printed in this issue.

We were also pleased with the alumni turnout at the RCB last Spring. Many of us felt, and hope you did also, that it was one of the best in recent years. We were glad to welcome over forty alumni and their wives back for this function.

You have probably already received a letter from the alumni association, but if you haven't, we would like to inform you that Homecoming will be October 26 and would like to invite you to attend. There will be a pre-game party for the alumni and the old guard and also an alumni meeting after the game. We would certainly like to see as many of you that are able to come.

## MISC.

We are initiating twenty-two new daughters, after they complete their "pledgeship", which will consist of learning a few basic things about the fraternity. The Daughters of Diana were again of invaluable assistance during rush, acting as smoker girls and just plain rushing for TKE. In addition to all of their regular activities, they are planning a picnic and hayride for the chapter.

Speaking of rush, we just initiated eight new pledges. This seems small in comparison to last spring's but with first semester freshmen not able

to pledge and upperclass enrollment down, we were pleased with this fine bunch of men.

Some of last year's accomplishments of which we were proud and felt would interest you are:

**DELTA NU** had the largest pledge class of TKE's 314 chapters.

**DELTA NU** had the second largest number of pledges and initiates of all the chapters.

**DELTA NU** had the second largest chapter (105) of the 314, only five behind EPSILON chapter.

**DELTA NU** received the **MOST IMPROVED CHAPTER AWARD**.

To keep with this pace, we have set the goals of **TOP TEKE CHAPTER** and Intramural Supremacy.

As for intramurals, things are progressing well. We have two football playoff berths looking promising and potentially a tennis championship.
