

Delta Nu Review

NWMSU

SEPTEMBER 1975

Dear Fraters,

We are very proud to inform you that Delta Nu Chapter was named Top TKE Chapter in the nation for our achievements during the 1974-75 school year. This is due in no small part to participation by our alumni chapter. We wish to thank you for your support over the past year and we are anxious to prove ourselves worthy of your aid in the upcoming year.

At this time we would like to extend to you an invitation to attend this years football homecoming, Saturday, October 18. We are anxious to show you how things are going at the present time at Delta Nu. We are very proud of the reputation we have built around campus and we feel that it will make you proud to see how well Delta Nu is functioning.

As for the particulars of the days agenda:

Parade

Game NWMSU vs. CMSU

Alumni Meeting - after the game
at the house

We look forward to seeing as many of you as possible on homecoming day, even if you do not care to see the ball game the alumni meeting is a guaranteed good time especially if we have a good turn out of alumni. Come see our Top TKE Chapter.

Graduate Fraters return to NWMSU

Russ Gallinger has returned to school to obtain his M.A. and have more than a good time while he is doing it. Dave Wood has come back to school to attain an extra degree.

In intermurals this fall, we feel we have a good chance to place two teams in the football standings and remove the Phi Sigs from their intermural throne. Last year football was the only sport we failed to place in and this hurt our drive for intermural supremacy. We won first place in

swimming, basketball, softball, and volleyball, as we finished a close second for intermural supremacy.

Homecoming themes for this year will be:

SKIT - Camelot

FLOAT - Tommy

HOUSE DECORATION -

Fiddler on the Roof

Rush begins this September 14, so that by Homecoming we should have a new group of pledges to inspect.

Alumni dues are payable at any time. You can either mail your \$10 to us or pay when you attend homecoming, which ever is the most convenient for you. We plan to use the money for a proposed rewiring of house, which is at the top of our list of needs. The circuitbreakers kick off everytime we have any functions

around the house and it would be a damn shame for the Top TKE Chapter to have their house burn down around their ears. Your contributions will be appreciated.

Two chapter members, Berkley Carr and Tom Stevens, returned for the initiation of 28 new fraters this fall.
