

Delta Nu Review

NWMSU

DECEMBER 1976

Dear Fraters,

We were glad to see so many of you at homecoming, we only wish everyone could have made it back. There were approximately fifty fraters back, giving close to \$900.00 in alumni dues. This may sound like a lot, but we'll need much more to remodel the third floor to meet the new fire standards. Frater Harold Gooding has agreed to help contract this for us. We'd like to thank him very much for his generosity. Even with Frater Goodings help this project is going to cost \$2,600.00. These improvements have to be made so again we come to you for help.

INTRAMURALS

This year we are leading intramurals at semester break. We are now nine points ahead instead of more than twenty behind as last year when we ended up winning intramural supremacy for the first time in many years. So far we have placed 3rd in football, 1st in tennis, 1st in wrestling, 1st in foosball, 2nd in bowling and billiards. We are now in basketball, which is always a strong point. We fell we have two teams that can place in basketball.

ELECTIONS

On Tuesday, December 7th we held our elections for new officers, our officers after this election stand as follows:

Prytanis - Brad Shelton
Epipyrtanis - Randy Plummer
Grammateus - Dean Nugent
