

THE DELTA NU ALUMNI FUNDRAISING UPDATE

THE TRADITION CONTINUES - FALL 1999 UPDATE

SEPTEMBER 1999

DREAMS DO COME TRUE!

Over two years ago, a newsletter was mailed to you with a sketch of what Delta Nu's new house might look like. Nearly three years to the day that the old home at 222 W. Cooper was lost to an accidental fire, what you see above is a reality at 555 W. 9th Street. This house exists as a result of hard work and sacrifice provided by almost 300 of the 1300 Fraters on the Delta Nu scroll. All 300 Fraters should be given a big "thank you" for their generosity and support.

Work still remains on the house and the call continues to those 1,000 Fraters who have to yet made a pledge to help continue this great cause. Those Fraters who have yet to make a pledge and would like to join us in this cause can fill out the enclosed envelope and get on board with the rest of the Delta Nu alumni.
