RED CARNATION BALL

Fraters, what are you doing the weekend of April 3rd? Would you like to be in Kansas City? The Royals won't be playing but you could go to Worlds of Fun. That sounds fine, but, let us offer you on Saturday, April 3rd, the 1982 Red Carnation Ball in Kansas City.

The Marriott Hotel next to the Kansas City-International Airport on I-29 provides the setting for this year's big event.

Last year, we were at the Marriott in Des Moines. The weekend went well and the people of Marriott thought that our group was well behaved (didn't burn the place down) so we decided to try this one in K.C.

Facts and figures for the weekend include a total of 75 rooms reserved for \$42 a night (tax included). Frater Ron Edwards, who set up RCB this year, will be down there Friday night to greet people and make sure things go smooth. The evening meal will cost \$12 and favors are \$10. The meal will consist of a 12-ounce pork chop, French onion soup, baked apple, salad, roll and dessert. If you would like to send money for the meal and favors to the chapter prior to RCB, you can do so.

The schedule for the evening includes an alumni meeting in the State Suite from 4 p.m. to 6 p.m. The banquet will be served from 6:30 p.m. to 8:00 p.m. with the dance to follow. A disc-jockey will provide the music and the rest is up to us. Prices for drinks will be two dollars (\$2) and beer will be \$1.75.

If you have any questions concerning the weekend, feel free to call the house (816) 562-9933 or call Ron Edwards at 582-4545.

1982 SPRING PLEDGE CLASS

The Delta Nu chapter of Tau Kappa Epsilon took seven associate members this spring. This is one less than the fall pledge class and coupled with graduation and various reasons for not being in school, the number of fraters is down from past years. It seems that the days of the large pledge class is over due to economic reasons. The chapter is smaller but stronger. Here are the new associate members:

- Dave Bray, St. Joseph, Missouri
- Dale Carstens, Denison, Iowa
- Mike Harbit, Joplin, Missouri
- Chris Mooberry, St. Joseph, Missouri
- Dave Peterson, Stover, Missouri
- Dave Teeter, Grant City, Missouri
- Doug Vermillion, Independence, Missouri

MOVING? TELL US

Trying to keep track of all our alumni is not an easy task. You can make it easier by letting us know when you move. By keeping us up to date, it will mean less delay in receiving your newsletter and other information from the chapter. Fill out the form below and return to: Tau Kappa Epsilon, Delta-Nu Chapter, c/o Histor, 222 W. Cooper, Maryville, Missouri 64468.

NEWS FROM ALUMNI

Frater Doug McMullen "585", is employed as a field man for the Albert City Elevator in Albert City, Iowa. He just bought four acres and plans to finish 400-500 head of hogs this year.

Doug has a little girl, Katie, who's nearing her third birthday. No more additions expected.

He's currently working on a Master's degree at Iowa State and by taking winter extension courses will hopefully finish in the spring of 1986. In the future, he'll continue his present occupation and increase in farming as time and money permit.

Frater Bill Espey "614", has resided in California the past five years, the last two in San Francisco. He's a Corporate Banking Officer for First Interstate Bank of California.

"Cowboy" is listed in the phone book and would enjoy hearing from his old friends. If fraters and alumni are in the area, look him up.

Frater Don Edwards "727", enjoyed success last fall when he coached the girls softball team of Jefferson High to the Missouri state title in Class 1-A and 2-A. The school, near Conception, has around eighty students and competed against schools with an enrollment of over two-hundred. Congratulations!

DELTA-NEWS

The chapter has been very active on campus and in the community. As a money-maker we recently had what was called "TKE-Taco Day". The chapter was approached by Taco John's with the idea. We were given 500 tickets to sell for one dollar and each ticket could be redeemed for \$2.50. The whole affair went well and should become an annual event.

For the second straight year, we raised the most money and had the most participation in the American Heart Association's Jump-Rope-a-Thon.

Another project on campus was our free-throw contest at halftime of the men's home games which people looked forward to.

Statistically speaking, the chapter has 45 actives with many people inactive because of financial reasons. The scroll is up to "896", soon to go over 900 fraters.

Concerning the house, new wallpaper was put up in the fireplace room. Frater Steve Brightwell "775" donated a red sofa and matching chair that compliment the wallpaper real well. Also, two jacks were installed in the basement to support the main beam of the first floor. Future plans, when the money is available, include re-doing the basement and new wallpaper going up the second floor stairs.

The TKE float won first place at Homecoming. Frater Todd Schuler was in charge of the project.

The Wizard of Id was a temporary resident in the back yard at Homecoming.

Who's got the pumps? Homecoming takes a group effort and last fall there was no problem drawing a crowd.

The fireplace room was the recipient of new wallpaper and new furniture.
