

The Delta Nu Review

Volume 3, Fall 2010

www.nwtke.com

September 2010

Dear Fraters,

This edition of the Delta Nu Review finds all things Delta Nu in great shape. A stable chapter and stable finances, a house getting some improvements and regular maintenance, a growing Alumni Association, and lots of positive public relations. Hopefully another Top TKE chapter is just around the corner for our chapter.

Are you planning on making the trip to Maryville this year for Homecoming? Frater Tad Trecker, 739, from Hartland, Wisconsin, has put together an outstanding program for this year. Even though the area hotels are probably already booked up, you can make a day trip of it and join one of the best Homecoming weekends in recent memory. Please look for the Homecoming insert for all of the details.

Also in this edition, you'll read about the 2010 Peter J. Greve Scholarship winner, the announcement of the scholarship for Active Chapter members, the Northwest @ Nebraska-Omaha football tailgate, the K.C. Golf/Football day and some planned and completed house improvements.

There is a ton of great news to catch up on in this edition, but did you know there's a monthly newsletter you can receive also? If you have an email address, we'll send you a monthly email with the latest news and info.

Please email alumni@nwtke.com today to get signed up! YITB

Alumni Board of Advisors President's Report – Mark Witthar, 853, mwitthar@ford.com

I am pleased to report that the Board of Advisors has been very stable and very effective in developing and executing plans with the active chapter. We have a good cross section of members representing different "eras" in the fraternity but we are always looking for new ideas and input. If you are interested, please don't hesitate to drop me a line.

Financially, we are in very good shape. We ended the year with a small surplus in the House account which allowed us to do some improvements on the property. This can only be accomplished by the active chapter working closely with the Board of Advisors on every aspect of our fraternity. Each Board member counsels their active chapter counterpart on various issues. For example, Brad Shelton, our Vice-President, is working closely with Gunner Sumy, the active chapter Epiprytanis, on rush. Effective plans have been implemented that will help the active chapter on how you plan to be successful. We have done the same with President, Treasurer and House Manager.

Our goals for 2010-11 are very simple:

- 1) Have another strong rush. The plans have been put in place for a very effective campaign and we are all excited about the possibilities.
- 2) Take an even stronger leadership position on campus. As always, TKE active chapter members are leaders on campus; however, we want to make this even stronger.
- 3) Continue to improve the chapter house. As you will read in this newsletter, the actives and alumni have been working very hard to make our fraternity house a much better place to live and entertain guests.

We have a clear vision of where we want to be - both the Board of Advisors and the Active Chapter. Together we are making a difference and having fun getting there. Thank you for your continued support.

House Report – Kevin Smith, 932, kevins@npgco.com

It has been a good summer for Delta Nu Housing Corp. The house was closed for the third straight summer, because in years prior, the rent collected did not cover summer utility expenses. All deposits for this fall semester were collected before the spring semester ended and the house is expected to be at 95% occupancy throughout the 2010-2011 school year. Thanks to the diligent efforts of the active chapter and the BOA working together, we have worked our way out of the financial problems that we found ourselves in four years ago. We are now able to give more consideration to reserve funds and making improvements. It's a good feeling, but we've still got a long way to go to reach the destination the BOA desires.

Frater Brad Shelton organized an Alumni work weekend near the end of July and many improvements were accomplished. Approximately 25 alumni and actives participated in the effort at some point throughout the weekend. Thanks to everyone for volunteering their time and skills. Prior to the work weekend, new carpet was installed in the main stairway and the chapter room received a fresh coat of paint.

Last February, I gave a one-year-notice of my desire to resign from my post as the ΔN Housing Association Property Manager. I have enjoyed assisting the board in this capacity for the last four years but feel the time has come to pass the torch to one of you reading this letter. Please take the time to consider thoughtfully how TKE has impacted your life and ask yourself if now may be the right time to give back. Please contact Mark Witthar or myself to discuss. I can be reached at (816) 205-1032.

Board Treasurer’s Report – Chris Holder, 1362, Chris67_99@yahoo.com

The Delta Nu Board and Alumni Associations accounts are in great shape. The only recent addition to the Treasurer’s office is that we’ve begun to use QuickBooks to assist us in managing our finances. This is quite a change, but one we had to make since our supply of napkins ran out (just kidding!).

Alumni Association	\$9,982
Capital Improvements	\$11,415
Dick Wiles Special Fund	\$350
House Room Deposits	\$8,980
Emergency Fund	\$4,238

Total \$34,965

Chapter Report – Kenneth Hamilton, 1436, Prytanis, S255507@nwmissouri.edu

Over the course of the summer, the active chapter worked independently on a few improvements on the house. A security camera for the front walkway of the house was purchased and installed to help improve the safety and security of the property and several alumni and actives got together in July to paint, patch, and perfect the house in preparation for Fall Rush. The active chapter thanks all of the alumni who made this effort possible, whether it was through donations or elbow grease – we greatly appreciate your help!

Fifty-one actives will return from last year and everyone is gearing up for rush. The shirts are in the mail, the posters are hung, and early rush efforts have begun! It is looking to be a great recruitment semester for TKE Delta Nu as we had 57 guys express interest during one of our early events. However, we can always use your help. If you know of any legacies attending Northwest or any other potential new members, please contact myself or Austin Martens (Rush Chair). Austen’s contact information is (816) 217-8104 or s403066@nwmissouri.edu. Our goal is for 40 pledges but we can always do better. Rush ends September 17th and we will post our Fall 2010 pledge class list to the web and in the October eReviews.

We will also be focusing on Homecoming, some philanthropic efforts, as well as our application for Top TKE chapter!

I am looking forward to meeting many of you at Homecoming and I hope you all had a safe and fun summer.

ALUMNI ASSOCIATION - Brad Shelton, 651, brad.shelton@nwtke.com

In the last year, the TKE Delta Nu Alumni Association has come a long way. We have made exceptional progress by raising more than \$9,000 to support BOA efforts in regard to building the Delta Nu web site, building and maintaining the alumni database and printing two Delta Nu Review newsletters annually as well as emailing the monthly "eReview" newsletters. This extraordinary progress would not be possible without the support of Delta Nu Alumni Association members and their annual dues. To date, 105 Fraters have joined the Delta Nu Alumni Association to help promote these new initiatives and to get involved by donating their time and expertise.

The Delta Nu Alumni Association leadership has also expanded and is focused on enhancing the alumni experience through social and philanthropic events and supporting the active chapter. This group of committed Fraters has laid the groundwork for the future outlined in this newsletter. We continue to compile and validate more than 1,500 mailing addresses and over 750 valid email addresses, which are now available to DNAA members on the Delta Nu website (look for the **Frater Search** feature on the Alumni page!). These tools make it quick and easy for you to locate and connect with one, or many, Fraters, not only from your era, but also from where you live or as you travel around the U.S. and the world!

Transforming the alumni experience will only happen if we **ALL** work together, like we did as pledges. Please consider ways you can get involved on a personal basis. We are looking for alumni that have artistic talents that might help create a gallery of drawings and paintings of the Delta Nu experience. We need Fraters with financial or insurance experience to help with our revenue tracking and reporting. We need Fraters with writing and technical talents that can help with updating content for newsletters and the website. We also need Fraters with practical building maintenance and repair skills for the physical property and members with management and leadership skills to help mentor our active chapter officers. And we need more members. The BOA has challenged all of us to raise \$10,000 in dues by December 31, 2010 and to sign up 150 members in the Delta Nu Alumni Association.

We have 105 alumni members currently. Is your name on this list? <http://www.nwtke.com/content/delta-nu-alumni-association-roster> If not, please consider one of the following options ...

Delta Nu Alumni Membership options

- 1 year \$50
- 2 years \$75
- 3 years \$105 (\$35 per year; Best value!)
- Lifetime \$1,000

How do I sign up?

Make your check payable to: **Delta Nu TKE Alumni Association** and mail it in care of: Chris Holder, 12480 South Greenwood, Olathe, KS 66062

You will be hearing more in the upcoming weeks about the next big event, Homecoming, and will find periodic updates and eReviews on www.nwtke.com. Remember, you did not cease being a Teke when you graduated; you are a Teke for Life. Be sure to respond and let us know how you can help continue to be part of something great!

SOCIAL COMMITTEE – Ron Beaver, 858, rb64089@gmail.com

Although the dog days of summer have kept most TKE alumni busy with family events and vacations, many have still enjoyed the occasional round of golf or cold drink with a fellow Frater. Dan Barnett, 1450, Omaha area social director, says many fellow fraters frequent a favorite watering hole, Glory Days, at 106 W. Broadway in Council Bluffs, IA. It is owned and operated by Frater Brandon Juon, 1379. Please stop by sometime and introduce yourself whenever in the area.

There are still discussions about potential events in some of our cities with larger populations of ΔN Fraters; look for those updates in upcoming eReviews.

Four events are on the near horizon – the September 18th NW @ Nebraska-Omaha football game tailgate, the October 2nd K.C. Recap – 15th Annual ΔN Memorial Scramble Golf Tournament – Michael Reiff, 1120, mwreiff@charter.net

This year's tournament, the 15th consecutive, went off with a hitch and we are getting lucky with the weather – no issues except heat and humidity and wind to be had since the beginning. Thanks again to all 93 golfers that made the trip to Maryville for this year's tournament on Friday, June 4th at Mozingo Lake GC. This was the biggest field to date with two more golfers than last year. Over the 15-year-history, 193 different players have participated.

Congratulations to the team of Mark Gerling 1044, Todd Fordyce 1091, Fred Gude 1140, and Mike Wynne 1059, who were the winning team with a 16-under-par 56. We all hope you're back next year to defend your title. The full list of results and pin prize winners can be found at the end of this summary.

Through the sale of Memorial (Team) Mulligans, \$1,020 was raised and we were able to place Memorial Fund Bricks on the Dick Wiles Teke for Life Donations Wall for Jay Schug 321, Dick Wiles 365, and Richard Larson 642. We also added to the funds of Wayne Cherry 1014, Chris Sams 870, Steve Healey 912, Ryan Tesdell 1178, Bill Bolyard 609, Cyril Dougherty 14, William Hunt 25, Scott Eckard 449 and Paul Jones 1152.

Memorial Tee Box Markers debuted this year to further memorialize those Fraters that have passed on to the Chapter Eternal. The first four markers were for Fraters that had golfed in the tournament; they were for Lee King 296, Pete Greve 580, Ryan Tesdell 1178 and Kurt Gentry 1280. Prior to the start of this year's tournament, a marker was sponsored by Mark Rinker for Chris Sams 870. Chris' marker will appear on a hole at next year's event. Memorial Tee Box Markers can be sponsored for a \$100 donation. For more information, please contact Brent Steffens at mrbrentsteffens@yahoo.com.

The event ended with dinner, awards and a presentation on the state of the chapter by Alumni Board of Advisors President Mark Witthar 853 and Delta Nu Alumni Association Director Brad Shelton 651. The event raised over \$1,400 for the general fund of the Delta Nu Alumni Association.

Thank you also to all of the volunteers and others that helped make the tournament possible. Thank you to Scott Albright 1087 for the great logo, Kevin Malick 1143 for taking care of the shirts and helping plan the tournament (and my ride down), Chris Holder 1362 for your help at check-in, David Peterson 903 for your help at set up, and Dan Canchola 873 and Ryan Jackson 1547 for taking all of the pictures. Pictures will be posted to the 2010 Golf Gallery on the Delta Nu website at <http://www.nwtke.com/image>. Finally, thank you to Brent Steffens, 1384, for helping plan and run the tournament and for the great work on the Tee Box Markers.

Special thanks also to Coach Mel Tjeerdsma, Steve Sutton at the Northwest Alumni Office, Carson Riedel, ΔΔ 937, from Carson's Sports Grille, Steve Brightwell 775 and Jeff Borchardt Xi-Eta 146 for their pin prize donations to the tournament. Also thanks to Robert Tafinger from TKE Headquarters for spending the day with us.

We hope you plan to make it next year. Once the announcement is made in early 2011, please be sure to get your reservation in early as spots will be sure to fill up quickly again. Your humble tournament organizers, Michael Reiff, 1120, mwreiff@charter.net and Brent Steffens, 1384, mrbrentsteffens@yahoo.com.

SCHOLARSHIPS AND FUNDS

Special Projects Fund – Scott Keilbey, 666, skeilbey@tnemec.com

Through the TKE Educational Foundation, the Special Projects Fund exists to provide assistance to undergraduate members for educational opportunities, such as for studies, leadership seminars or conferences, such as the Regional Leadership Conferences or Conclave. This fund currently has a balance of \$1,700.

Every year, we'd like to be able to subsidize all or part of the registration fees or travel expenses for Fraters to attend these or other conferences, not to mention update the educational resources in the house, but we need to increase the size of the fund to be able to continue to do this.

Contributions to this fund are tax deductible, through the TKE Educational Fund. For more information, please go to the Delta Nu website to the Alumni page and then to Donation Opportunities.

TKE House Capital Improvements – Steve Moss, 927, semoss@mchsi.com

Ahhh yes, one of the most memorable things of being in the fraternity is... the TKE house -- that special place where many lifelong memories, friendships and bonds have been built over the past 56 years. Whether the TKE house you remember is from Delta Nu's beginning back at Quad 4, at 222 W. Cooper or the current "new TKE House" on Ninth Street, we all remember the challenges in trying to make the house the best place it could be. That is still the goal today.

With the help of the TKE House Capital Improvements committee we are now beginning to take on some significant house projects and steer the combined efforts of the chapter and alumni to make it a better place to live. The committee and Board of Advisors have agreed on some starter projects and hope to move toward some larger projects over the next five years. The first project is to add more functionality into the kitchen area.

The first phase of the kitchen update is to convert part of room into a study room. In keeping with the Board and active chapter's renewed commitment to scholastic excellence, we have built this study room to support and foster that effort. The room may be used for other events and purposes such as a meeting room or staging area for events like smokers, parent's day and homecoming, but its primary purpose is as a study room. The funds for this room came from both the Capital Improvements and Special Projects funds. We will be completed with this phase by Homecoming. Phase 2 of the kitchen conversion, which is slated to start next summer, will include installing a new stove and commercial sink, re-working the counter areas to make them more functional, and building storage areas for chapter property.

Replacing the railing on the 2nd floor, above the chapter room, is our #2 priority. Workable alternatives will be reviewed to improve the look of the room, provide safety as well as limit the amount of maintenance involved in keeping it up. It is the Board's hope that this can be completed this school year. However, it is dependent upon support for the projects.

This is where you come in. The TKE House Capital Improvements Committee needs your help to support of these and future TKE House Improvements. Please consider sending a check, large or small, to Board of Advisors Treasurer Chris Holder. As you'll remember, 25% of all contributions to help the house are held on account for future long term projects and 75% of contributions are made available for current house improvement projects. Thank you to the Fraters who have helped us work toward the 2010 TKE House Capital Improvement Fund Goal of raising \$15,000. These men are Benny Johnson 104, Terry Snavely 555, Jeff Borchardt Xi-Eta 146, Brad Shelton 651, Scott Keilbey 666, and Joe Saubers 930. With their help, we are at more than 65% of our goal and with your help, we can go over the top!

We hope you can support these projects and send your check today! All contributions are greatly appreciated.

Checks can be mailed to:

Peter J. Greve TKE Alumni Scholarship – Bruce Barlow, 533, tkedn533@comcast.net

The 2010 Peter J. Greve Memorial TKE Alumni Scholarship was awarded in the amount of \$1,000 to Stanton (IA) High School senior Edward Oster. Greve Memorial TKE Alumni Scholarship to Lucas.

The 2011 application was recently posted to the Delta Nu website and can be downloaded on the Scholarship tab of the site. The application deadline for 2011 is February 1st.

To be eligible, applicants must have maintained a high school cumulative GPA of 3.0 or above from ninth grade through the first semester of their senior year. The applicant must be an accepted entering freshman by Northwest Missouri State University and nominated by a TKE alumnus. No specific major is required. TKE alumni will serve as evaluators and will review student transcripts, supporting information, and recommendation letters in their deliberations. As monies allow, several scholarships can be awarded.

TKE alumni are encouraged to forward this application to another TKE alumnus, a teacher, a guidance counselor, or a friend who may know someone who plans to attend NWMSU. For additional information on the Peter J. Greve Memorial TKE Alumni Scholarship, please contact Bruce Barlow at tkedn533@comcast.net.

TKE Delta Nu Active Scholarship – Dave Teeter, 901, dteeter@mc-wildcats.org

The Alumni Association is pleased to announce that the TKE Delta Nu Actives Scholarship is now available to be downloaded and completed by any active member of the chapter. The active chapter was notified by email in late August of the scholarship and the announcement was also posted to the Delta Nu website.

The deadline to be completed and returned to me is October 1st. A committee of alumni has been asked to process the applications and select a recipient so that the scholarship can be applied to their Spring semester account this academic year.

We will begin working on fundraising efforts so we can build on the current balance of this scholarship, similar to our Peter J. Greve Memorial (for incoming freshman) scholarship. The goal is to have an amount in this account to make it a sustaining scholarship for many years in the future, and not have to constantly ask for donations to this fund. It is currently a Northwest Foundation account and thus tax deductible; all fraters have to do is send a check to the Northwest Foundation and indicate that it should be put into the TKE Active Chapter Scholarship Fund. This is another example that the Alumni Association is putting several things into place for the betterment of not only the active chapter but also alumni members and their families to enjoy the benefits of membership of our "Fraternity for Life."

If you are looking to donate through Northwest Missouri State, to either the Peter J. Greve Memorial TKE Alumni Scholarship, or the TKE Delta Nu Actives Scholarship, please visit www.nwmissouri.edu, and then go Giving and Online Giving. In the process of completing the Online Giving form, remember to look for TKE – Delta Nu Actives Scholarship or TKE – Peter J. Greve Memorial Scholarship. Hint: if you give \$50 or more to one of these funds, you automatically become a member of the Northwest Missouri State Alumni Association.
