**JOE MERRIGAN ELECTED  
STUDENT BODY PRESIDENT**

Frater Joe Merrigan from Clyde, Missouri, was elected President of the student body at N.W.M.S.C. His victory was one of the climaxing events in which Delta Nu has been active in all year long.

TKE now controls the political functions on campus and it is truly a great feeling.

Frater Merrigan's success was not by the work of only a few. It was a combined effort that has just started to reap the results.

**Message From Joe**

I am very grateful to my fraters in Tau Kappa Epsilon for the privilege of being their candidate for Student Body President and for their efforts in the election.

I will endeavor to be an outstanding Student President of Northwest Missouri State and make Delta Nu proud to have supported me.

Any frater or alumni wishing information or help in connection with N.W.M.S.C. be sure to let me know.

**SENATORS ELECTED**

Congratulations are in order to Frater J. C. Combs and Pledges Bob Cottor and Norman Wilcox on their election as Student Senators at Northwest Missouri State College. They were duly installed by our new Student Body President, Frater Merrigan, on May 4 and will serve through the school year of 1961-62.

Three other TKE-ASA candidates were elected as senators. They are Martha Gray, June Lee Nelson, and Ann Chick.

Parents' Day was held May 7th at the house. Rain threatened to call it off, but it held off, making it possible to have the basket dinner outside. In order to have enough space for all the food furnished by the mothers, 30 feet of table space was required.

This was the most successful Parents' Day held at Delta Nu. Thirty parents attended plus brothers and sisters of members and pledges. All together, 205 people were served. J. C. Combs and sister gave a few various renditions and the Chapter put on a sing for the parents afterwards.

The Order of Diana met and several new members were added to this segment of Delta Nu. The Order of Diana is a National Organization. They have been most helpful in doing things for the house, such as furnishing the Powder Room with carpeting, curtains, and a paint job.

**LOST WEEKEND**

An unexpected pledge skip was successfully executed by twenty-three Delta Nu pledges on the week end of March 17. Having a house party planned for Saturday night and much preparation remaining, the Maryville actives of Northwest Missouri State College found themselves "holding the bag;" consequently, the party was postponed (for the actives only).

Under the direction of Hegemon Dale Cooper, the group spent two festive, fast-moving days as guests of the Washington University TKE chapter in St. Louis, Missouri. Actives Dwight Grantham, Bob Kline, and Russell Phelps served as "extemporary traveling companions" on the jaunt.

## DELTA NU PINNINGS AND ENGAGEMENTS

In our first pinning, Frater Gary Freuh was pinned to Marilyn Larson, a member of Sigma Sigma Sigma sorority. The Chapter sang two songs and the Tri-Sigs sang two also. The pinning was held in front of Residence Hall.

Frater Chuck Woodring was pinned to Judy Slusher, a member of Alpha Sigma Alpha sorority. The active chapter, led by Frater J. C. Combs sang.

Frater Mike Travis was pinned to Julia Elmore, a member of Alpha Sigma Alpha sorority. The singing was led by Frater Ernest Mertz.

Frater Mike Stephens was pinned to Wendy Vitteteaux, a member of Delta Zeta sorority. Singing was led by Frater Rod Burrell.

Frater Hugh Hadden was engaged to Peg Humphreys, a member of Alpha Sigma Alpha sorority. The date for the wedding has been set as June 4.

Pledge Bob Miller was engaged to Ann Chick, also a member of Alpha Sigma Alpha sorority. No wedding date has been set.

Frater Don Fore was pinned to Joan Whittaker, a student at Central Missouri State College, at the TKE Christmas Dance.

Frater Mark Renaud was married to Phyllis Baxter on May 3. Frater and Mrs. Renaud have moved into an apartment in town. Our congratulations to Frater Renaud.

## HOUSE

Another successful year is almost over for the TKE house at N.W.M.S.C. This is the second year for the operation of the house, and there are still aspects of the operation that we are working on to perfect for next year.

Upon returning this fall, the new furniture that we had long awaited was at the depot to be delivered. Naturally, this caused a great deal of excitement among the fraters. Needless to say, impressing the rushees, when showing them through the house, was easy. The new furniture is solid maple and the cushions are made of nogahyde. The fraters take pride in the furniture; and, of course, we think it is the sharpest of any of the houses on the campus. The fall pledge class gave the house carpeting for the stairs which brightens the way up to bed each evening.

Fortunately, we were able to get the house painted shortly after school started. The new paint job has made the biggest change in the outside appearance of the house.

There are 26 men residing in the house and 50 eating. We have the same housemother, Mrs. Holleman, and the cook, Mrs. Potter, who are doing a wonderful job on the kitchen.

We are now in the process of landscaping the house. This improvement will make an even bigger improvement in the outside appearance than did the repainting.

## A HOUSE MOTHER SPEAKS

Life in a fraternity house is a wonderful and rewarding experience.

So much has been printed and said about the delinquent youth of today, but so seldom do we read or hear about the young men and women who do kind, thoughtful things.

As House Mother of Delta Nu, I have been privileged to become personally acquainted with the men. Basically, they are fine, and their urges and impulses are no different than the older generations were, at the same age. I wish to express my appreciation for the opportunity they afforded me to attend House Mothers' School at the University of Oklahoma last summer.

GARTER PARTY

The fraters of Delta Nu had a "Garter Party" April 28 at the chapter-house. Fraters presented their dates with lace garters with TKE inscribed on them.

Each frater had the pleasure of placing the garter in the appropriate position and in the proper manner on his date's leg.

Entertainment was furnished by Frater J. C. Combs and his combo; and refreshments (orange drink) were served at the bar in the dining room.

Chaperons were Mother Holleman, Chapter Advisor, Mr. Jackson, and wife, and Mr. and Mrs. Scott. Decorations were sent free of charge from Harold's Club in Reno, Nevada. Along with the decorations, they also sent 50 decks of cards to be used at our discretion.

LEADERSHIP CONFERENCE AT KANSAS CITY

Delta Nu was well represented at the Leadership School this year with a total of thirty-five men being present. Under the able leadership of Frater J. C. Combs, Delta Nu presented ten minutes of fraternity singing. Frater Combs is to be commended upon the time and effort he put forth in making the arrangements and conducting practice sessions.

At present, there are plans of forming a traveling singing group composed of Fraters. J. C. has fond hopes and expectations for the possibilities of fraternity singing at Northwest Missouri State College.

FRATERNITY ENTOMOLOGIST MARRIED

Frater Jim Dick, head bug collector for all the fraters taking entomology, was married October 15, 1960, at the home of Frater Mike Travis in Bedford, Iowa. Frater Dick and his wife, Mary, are now expecting a small entomologist in the merry month of July.

ATTENTION: A list of all graduates is now being prepared. If you are desirous of a copy, please write Histor, TKE House, 222 West Cooper, Maryville, Missouri.
