TAU KAPPA EPSILON DELTA NU CHAPTER MARCH 18, 1967

NATIONAL OKAYS LOAN FOR NEW CHAPTERHOUSE

At last the long-hoped-for dream of the men at Delta Nu for a new chapterhouse will become a reality!

National has approved Delta Nu's application for \$215,000 to build a 60-man chapterhouse near the campus. Of the \$215,000, \$15,000 will come from National on a Home Improvement loan, and the remaining \$200,000 will come through a loan co-signed by National and Delta Nu.

Several actives, as well as pledges, have spent many hours ironing out red tape for this project. If everything goes as planned, the ground should be broken when you visit us at the RCB. Planned completion is expected to be for the Fall of 1967...

Although blueprints haven't been completed as yet, the house will be a modern two story structure, with an enclosed courtyard.

!!!! COLOR TV TO BE GIVEN AWAY AT "RCB" !!!!!

In order to lower the existing mortgage on the present chapterhouse, Delta Nu has undertaken a gigantic fund drive with a color TV providing incentive for donating.

Receipts will be given for each 25 cents donated, and a drawing will be held during the Red Carnation Ball for a \$500 RCA color TV set. This beautiful set with walnut cabinetry is on display at Stidley RCA in Maryville.

Sales are booming at present with over 3000 tickets already sold. Pledges are leading the way with several of them selling over 300 tickets.

To reach our goal of 20,000 tickets we would like the assistance of the alums. Although a Delta Nu active cannot win the color TV, alums are eligible to make donations and to win the TV. Not only can you help us in this manner, but you can give your friends or next door neighbor a chance to win the TV.

Prytanis Report

Dear Fraters:

The men at 222 West Cooper have started out in full swing this year and have accomplished much in the first semester of school. The entrance way is now painted and the trophy room exhibits an entire new face of wood paneling and paint. To accent these new improvements, both the T.V. and trophy rooms have luxurious redcarpets to replace the worn ones. The men are really working in support of this 'clean-up' program.

Last semester we initiated a nine man pledge class. By again stressing quality and scholarship, we activated the largest number of pledges on campus.

Our chapter advisor, Mr. Jack Gray, will be leaving soon to fulfill his military obligation. Dr. Chandler of the English department is our new co-advisor, along with Mr. Terry Myers, presently the Assistant Dean of Administration. Dr. Chandler has many excellent ideas about fraternity life, as he was president of the Alpha Tau Omega chapter at Morey University, Atlanta, Georgia. Terry was a Teke at Drake University.

I would like to personally extend our invitation to drop in on us anytime you're in Maryville. We will be looking forward to seeing you during the Red Carnation Ball, if not sooner. If there is anything we can help you with, just let us know.

Yours in the bond,

Ron Howitt

Dear Fraters:

The Beta chapter of TKE Daughters of Diana at Delta Nu has grown to 32 strong since the tapping of seven new members at the Christmas Formal. Those initiated were Kathy Johns, Judy Diggs, Cheryl Linde, Pam Jones, Linda Martin, and Carol Duff. Also at the formal, they presented the chapter with three red throw pillows. During finals they gave us a case of apples for those long nights of studying. They are also planning some money-making projects in order to make enough money to furnish the house with red drapes. The chapter presented each Daughter with a coat of arms recognition button which they wear with their outfit of red every Wednesday.

Hegemon Report

Dear Fraters,

As spring rolls in, Delta Nu is anticipating another large pledge class. Our pledge program is being revamped to some extent to follow suggestions made by National.

Delta Nu's program for the coming semester will feature less hazing than in the past, with the resulting extra time to be used in devoting work projects on the house. Scholarship will be stressed to the point that the pledges must meet the college's scholastic standards before they can be activated.

Past traditions such as line meetings, pledge skip, Hegemon dump, and "HELP WEEK", will be continued as a basic part of pledgship.

Bill Andrews, Hegemon

NEW INITIATES:

Ken Day, Allerton Iowa
A.J. Dewey, St. Joseph
Richard Diemar, Ogdensburg, N.J.
Dayle Erickson, Jefferson, Iowa
Craig Grau, Manning, Iowa

Keith Jorgenson, Manilla, Iowa
Darwin Johnson, St. Joseph
Jerry Lemons, Emerson, Iowa
Richard Partlow, Menlo, Iowa

Greetings from Mom

Dear Boys,

Serving as house mother for the best fraternity on campus has been a gratifying experience for the past eight years!

To the alums--I wish to assure you that the chapter is in capable hands, and much improvement has been made at 222 W. Cooper in the first semester.

I hope to see each and every one of you at the RCB on May 6!!! Then you can see the Teke's progress both in the house and on the campus of NWMSC.

Love,

Mother Holleman
