

#### THE PRYTANIS REPORTS

February 24, nine Delta Nu fraters attended the Great Plains leadership conference in Kansas City, Kansas. They came back with many new ideas, several of which have been utilized in chapter and house operations.

I personally hope to see each one of you at this year's RCB, which is set for May 4th. Plans are under way to make this the climax of this years social season.

It is also our desire here at Delta Nu to see our alumni organization functioning again. Preliminary plans are being laid for an alumni reorganizational meeting on the afternoon of May 4th. More details on this will be sent in April.

Don't forget the Red Carnation Ball on the Fourth of May! We will look forward to seeing each of you then if it is at all possible.

Yours in the Bond,

*Bill Andrews*

#### DELTA NU PLEDGE PROGRAM

Our chapter had a very successful rush program, obtaining thirty two pledges. The pledge class has a terrific potential to put Delta Nu back as Top Teke Chapter.

Constructive pledgeship is the key phrase this spring. We are trying to make a "pledgeship with a purpose." The aims of our pledgeship include:

- 1) Making them socially aware
- 2) Encouraging scholarship.
- 3) Orientating the pledges with the active chapter
- 4) Preparing them to take responsibility
- 5) Instilling in them the traditional Teke spirit and brotherhood
- 6) Familiarizing them with TKE

Our goal is to help these men become fully aware of the aspects of chapter life.

## THE SOCIAL CALENDAR

The social calendar for January and February was dominated by Rush functions, which successfully netted a potentially strong pledge class. March 16th was the date of the Inferno Party. The Red Carnation Ball will be May 4th this year. On May 12th is the annual Parents Day Picnic here at the house.

## CRYSOPHYLOS REPORT

The Financial Committee includes Fraters Gary Dickerson, Keith Jorgenson, Terry Dahms and Pledges Loyd Benedict and Phil Stutzman, all of whom work in co-ordination with Crysophylos Phil Underwood. Pledges were included on the Committee to acquaint them with the financial responsibility in chapter finances. The chapter is in excellent financial shape with a current cash balance of nearly \$500.00.

The chapter has voted to adopt an advance deposit fine system. Under this system, all active fraters are required to submit an undated check which is cashable only on nonpayment of fines.

We appreciate the recent financial contributions of Fraters Bob Dickey and Bob Garms and hopefully anticipate increased Alumni support.

We invite you to visit Delta Nu. You will see an improved house, familiar faces, and a new mood, attitude, and spirit--all in one. We know TKE is the best. So do you! This semester we tell the world!

Crysophylos,

*Phil Underwood*

## TEKE LAUNCHES A SCHOLARSHIP DRIVE

The men of Delta Nu are under the capable leadership of Frater Larry Ahrens and his scholarship committee as they renew the effort to live up to that ideal set by National, "scholarship above all."

The effort shown so far will, if sustained, surely win the scholarship trophy for TKE.

Hypophetes,

*Larry Ahrens*

#### HOUSE MANAGERS REPORT

Dear Fraters:

We have made approximately \$1200 repair and improvements during the fall semester including: red carpet in the entryway, remodeling the House Mother's room, and enclosing the S.W. porch into a walk-in closet.

The goal for this Spring involves scraping and painting the complete outside of the house. The yard is also being seeded in efforts to improve the appearance.

Next year Delta Nu will have Co-House Managers Randy Hutsell and Phil Underwood. These men have excellent ideas and should do an outstanding job.

House Manager,

*Marshall Dann*
