## ATTENTION ALUMNI !!!

The Red Carnation Ball this year will be, by far, the biggest social event on campus. Much planning has gone into this year's RCB as fraters have worked on it all year. There is only one more thing pending which will determine whether it's a big success or not. This is a problem we at Delta-Nu cannot solve by ourselves. That is alumni attendance. ## TEKE'S PICK A QUEEN

Miss Suzanne Hunt was chosen Miss Maryville Wednesday, April 8 to represent the City in the Miss Missouri Pageant. Miss Hunt is the candidate of Delta-Nu Chapter of Tau Kappa Epsilon Fraternity. Remember her name, you may be hearing more of her.

## PRYTANIS TO INDIANAPOLIS

Delta-Nu's Prytanis, Frater Leroy Kariker, was recently invited to the Central Office to talk with TKE's National Leaders. Leroy was interviewed as a prospective regional supervisor for Tau Kappa Epsilon. He was in Indianapolis, March 10, 11, and 12. Frater Kariker will graduate from Northwest Missouri State College this spring and hopes to be around Delta-Nu and aid it further by being the regional supervisor for the area.

## MESSAGE FROM THE HEGEMON

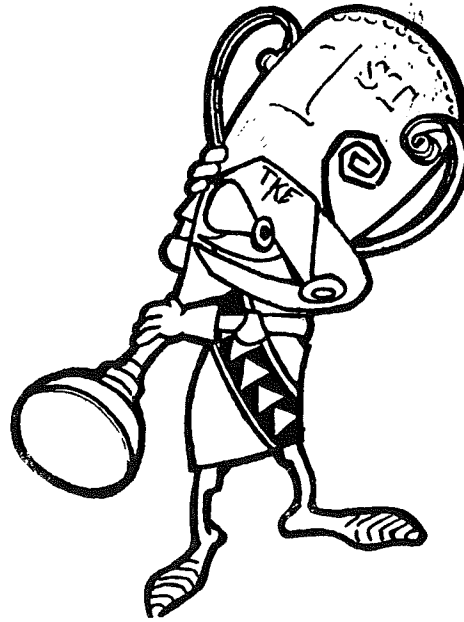

From the spring rush came twenty-five pledges to Delta-Nu. We feel that this pledge class has more potential than any pledge class for the last four or five semesters. The pledges are in several activities on campus and with their various studies we have at least one man in each major field. Enthusiasm is running high as we go into Ugly Man Week with RCB nearing.

With the help of the new pledge class, the present Fraters at Delta-Nu, another successful rush, and the ever-needed help of alumni TKE is quickly raising itself higher and higher above the other organizations at NWMSC.

## BEARCATS ON THE MOVE

Watch the Bearcat Baseball Team this spring. They're out for blood. After losing the District Championship to Springfield last year, the Bearcats are after that title this season. After a disappointing double loss to Wisconsin State in the season's openers, the Maryville nine have taken five straight contests, three at the hands of Kirksville, a conference foe. They're on the move and three Fraters are some of the instigators of the move. Fraters Jerry Gallinger, Sam Hankins, and Russ Gallinger are all starters and stars on MSC's team. So, keep an eye on the Bearcats. They're out for the title!

## ATHLETES IN ACTION

Fraters have come through in several departments as Delta-Nu continues to build up points in the supremacy race.

In Basketball, the Teke number two team took third place after losing a squeaker in the semifinals by two points in four overtimes.

The Vandals (TKE No. 1) won their league championship in a St. Joseph Commercial League while taking second place in a tournament at Conception.

Frater Bruce Turpin easily took first in the Billards competition for the second straight year. In Bowling, Fraters Leroy Kariker, Russ Lusso, John Kiley, Ron Young, and Jim Wright easily outdistanced the rest of the competition in bring TKE the Bowling Championship.

Frater Russ Gallinger captured third place in Badminton singles, then teamed with Frater Jim Wright to capture third in the doubles division. Volleyball, tennis doubles, softball, smash paddleball, track, & swimming are coming up and TKE rates high in each. Things are looking good as the supremacy race tightens.

In varsity competition, Fraters Jerry Gallinger, Russ Gallinger, Sam Hankins, and Pledge Rob Wright are

representing TKE on the baseball squad. In Swimming, Frater Bob Sanders captained a team which had four pledges, Jon Grubb, Mark Richmond, Glen Saving, and Don Morris. Fraters Dave White and Dave Harrison are on the golf team as are Pledges Guy Humphreys and Court Rush. Russ Lusso and Pledges Don Morris and Steve Eckard currently represent TKE on the MSC track squad and Pledge Mark Richmond is playing tennis for MSC.

## CHERRY VS. GRAY

Delta-Nu is initiating an annual Cherry VS. Gray game this year. As stated this will be the first game in a series of annual affairs. This year, weather permitting, it will be a Softball game. The entire chapter and the pledge class has been divided into two teams. The losing team of the game will have the job of cleaning up after a Chapter Barbecue that is to take place after the game.

Frater Joel Grier is the new Hypophetes. Joel is a Junior from Montezuma, Iowa. A Physical Education Major, Joel is also Assistant House Manager this semester.

The office of Pylortes is being held by two men this semester since this chapter doubles Pylortes and Social Chairman into the same office.
