Delta Nu Review

NWMSU

SEPTEMBER 1976

Dear Fraters;

The 1976-77 school year has started and we are hoping to see and hear from all of you this year.

It is once again time for homecoming, and we hope to continue our excellent reputation of the past few years in our skit, float and house decorations. We would like to send out a special invitation to each of you and your family to visit us and attend the homecoming festivities.

Homecoming will be held the weekend of October 16th. Activities are as follows:

Event	Day	Time
Parade	Oct. 16	9:00 a.m.
Game	Oct. 16	1:30 p.m.
Skits	Oct. 13, 14, 15	7:30 p.m.
Alumni Mtg.	Oct. 16	4:30 p.m.

The Bearcats are now 2-0, and will have formidable opposition from the Southeast Missouri State Braves, who were the MIAA conference champions last season, this should prove to be a most exciting game.

The theme for this years homecoming is cartoons, and our topics will be:

Skit - Rocky and Bullwinkle

Float - Underdog

House Decorations - Popeye

We hope to see all of you at homecoming.

The past few months we have made many improvements in our house. We have new carpet in the T.V. and trophy rooms, new linoleum in the bar room, new stairs to the basement,

remodeled the kitchen, repaired the steps to third floor and carpeted the third floor hallway. We have also added fire extinguishers and plan to build a study room in the basement. I'm sure you'll agree that the house looks the best it has in a long time.

We keep drawing closer and closer to our final house payment. We are hoping to pay it off this semester and have a mortgage burning party before Christmas. This will only be possible with your support. We're very grateful for your participation and support in the past and feel that with your alumni donations this year we can pay off the house by the close of this year. The balance of the house is approximately \$1500. Your support is much needed and will be very much appreciated on this project that we've all been working on for many years.

Thank You!

RUSH

Rush for the fall semester is now in full swing at Delta Nu. This past Monday, we initiated 19 new Fraters from last spring's pledge class. This brings Delta Nu's total initiates to 741. We are quite proud of the fact that all but one who pledged Delta Nu last year has been activated. This past year we suffered a large loss in Fraters due to graduation. With this in mind we are concentrating on more of a man to man rush in hopes of bringing our membership back to its all time high of last year.

There are many fine prospects, and Rush Chairman, Frater Rick Spencer,

has planned many fine parties, including a hay ride and barbequed pig to be served at our smoker. If any of you know of any prospective pledges from your area who are going to school here, please notify us. Please stop by and visit if you're in the area. We feel that our Alumni Chapter can be a valuable asset in our rush.

MISC.

Last year was an excellent year for Delta Nu Tekes. One area that we did very well in was intramurals, where we are supremacy for the first time in many years. We are hoping to continue in our supremacy this year as our football teams look very strong, this is one area we failed to place in last year.

This year we are trying to improve our public relations, not only with our neighbors, but with the community as a whole. To do this, we are now planning several new "Public Service Projects" to add to our annual Christmas Party for the orphans.

WHERE ARE THEY NOW?

LARRY R. BELT, scroll #1, of Leawood, Kansas is now Vice President of Borg Warner Corporation.
