FRATER JOHN MOORE "697" RECEIVES TOP TKE AWARD

For the first time in the history of Delta Nu one of our fraters has won the TOP TKE AWARD in the nation. Frater John Moore, prytanis of Delta Nu chapter in 1977, was presented his award at the end of the 1977-78 school year. He was chosen out of all other TKE's in all other chapters Internationally. I am sure I speak for all fraters of Delta Nu in congratulating John during his moment of glory. It is quite an accomplishment and something John and the entire chapter can be proud of for many years to come. Once again, congratulations and good luck with your future.

RUSH

Rush started September 4 and will continue through the entire month ending on October 2. The smoker was held September 19 at the TKE house. A pig roast was served for dinner with the Daughters of Diana acting as hostess to the new rushees and TKE actives. After dinner, a party was held with all refreshments free of charge. This year's RUSH CHAIRMAN George Savage and CO-RUSH CHAIRMAN Randy Robb are working very hard on the entire rush program. Once again we are breaking up into groups and going room to room to personally meet all the prospective rushees. Everyone is really psyched for a very successful year. The TKE MACHINE is on the move once again and is gaining momentum every step of the way.

HOMECOMING

Homecoming is October 14 this year and it signifies the return of many alumni for the annual homecoming party. The active chapter would like to express a personal invitation to all alumni. We are expecting a tremendous turnout this year and are especially looking forward to seeing everyone at the TKE house. We all know how important the alumni are to Delta Nu and their support at homecoming as well as throughout the year is greatly appreciated. If you wish to make a donation to the TKE house to help us out and make homecoming extremely successful you may mail your contribution in to the address listed below. And when you do write in be sure and tell me something about your family, friends, and work, etc., so that in the spring issue of the Delta Nu Review I will have something to pass on to your pledge brothers.

The active chapter is making a special effort to win first place awards on the house decorations, float, and skit. This year's theme is the Dynamic Duo and we of Delta Nu have chosen Butch Cassidy and the Sundance Kid to be our Dynamic Duo. The float is going to be a simulation of an old time train robbery consisting of move-

able and rotating train parts. The house decorations and skit are still in the planning stages but many ideas have popped up recently and the actual work should begin any time now. Let's have a big turnout, alumni, and make this homecoming an unforgettable one.

ATTENTION ALUMNI

Frater John Moore "697" is attempting to form an Alumni Chapter with its home base being located in Kansas City. The organization of Delta Nu alumni would prove very beneficial to the active chapter as well as all alumni involved. Closer relationships among the chapter and alumni is the key to the future success of Delta Nu. John encourages all alumni interested in helping establish such a chapter that they write or call him at the following address or number.

ALUMNI INFORMATION

In an attempt to get better acquainted with our alumni the Delta Nu Review will contain facts about any alumni that might write to the chapter. Whatever you, as an alumni, would like to see printed will be contained in the spring issues of the Delta Nu Review. Also, an up to date alumni file has been completed with all the current addresses of Delta Nu fraters. If you wish to contact a pledge brother that you haven't seen in a long time, just write in to the TKE house and the address you seek will be mailed back to you. Please respond because your fraters still care very much about you and we want all alumni to know that we still want to hear from them. Here is a sample of some of the feedback we have received so far.

Scott Keilby "666" has accepted a position with Cook Paint Company in Kansas City, Mo, as a Customer Relations Manager.

Bill Gallon "743" now works for Sherwin Williams Company in Kansas City, Mo., as a salesman.

Ben Westmen "707" is currently enrolled at UMKC Dental School. Ben is a first year student. His home address is 5012 NE 46th, Kansas City, Mo. 64117.

Brad Wallach "706" is living in Eureka, Mo., but is teaching English in a nearby town called Pacific, Mo.

Carlin Lawhead "717" is another frater currently enrolled in Dental School at the University of Iowa. Carlin is a second year student.

Doug Deskin "661" is employed in Nishna Valley as a teacher.

Bob Sawicki "768" is working for United States Steel Corporation. Bob wants all his pledge brothers to drop him a line at the following address: 1235 River Terrace, Hobart, Indiana. Also, he would like to tell everyone that he will be returning to NWMSU in the spring of 1978-79 to enroll in school.

Mark Labovites "716" (Lab) is living in Worcester, Mass., on 591 Chandler Street. He wants to have all his pledge brothers contact him and let him know what they are doing. Zip 01602.

SUPREMACY AWARD 1977

For the third year in a row TAU KAPPA EPSILON has been awarded the INTRAMURAL SUPREMACY AWARD completely dominating all other fraternities in intramural sports. We are especially proud of this achievement and are trying harder than ever to keep the award at the TKE house in 1978. We can only contribute our success in intramurals to the fact that TKE's

at Delta Nu are bonded together so closely in competition as well as in everyday activities. There were many outstanding levels of competition that TAU KAPPA EPSILON handled with excellent composure. Basketball, Tug-O-War, Football, and Swimming are just a few of the sports that fraters bonded together to pull out victories at the most crucial times. Frater Shawn Francis "729", Intramural Director for Delta Nu, is working extremely hard to even better last year's performances. It should prove to be another exciting year in intramurals for TAU KAPPA EPSILON.

COME CHEER US TO VICTORY!

SUMMER ACTIVITIES

The summer of "78" was quite a busy time for the TKE's of Delta Nu Chapter. First of all we had approximately eight fraters living in the house during the summer months which enabled the chapter to organize and carry out a very successful work weekend during the days of July 29 and 30. We accomplished quite a few tasks on those two days. For one, we added two new coats of paint to the exterior of the house consisting of white with gray trim. The paint was donated to the chapter by frater Jim Moore "780", house manager for 1978. Also, the front porch was reconstructed to reinforce its weakened condition and was then painted a very nice gray color to accent the house. In addition, frater Dick Wiles "365" donated a new refrigerator and washer and dryer which will soon be connected and in use at the house. Finally, a new house sign has been constructed in the front lawn of the TKE house which can only be described as simply a beautiful piece of art. Time and time again the Chapter has received word of praise and admiration about the new sign from rushees, students, teachers, alumni, and citizens of Maryville. The sign was built by the Spring pledge class of "77" and pledge class of "78" and definitely deserves acknowledgement for a job well done. The entire weekend can be summed up as being very successful. It was a time of renewing friendships and saying hello to fraters that hadn't been seen all summer. All I can say is that we hope to do it all over again in the future during the summer of 1979. We would like to invite all alumni to the next work weekend so keep your eyes and ears open for dates concerning Summer Activities.

SPRING PLEDGE CLASS "78"

There you have it, alumni! The Spring pledge class of "78". Many of the pledges have gone active now and are very involved in the school and the chapter. In fact, there are seven from this pledge class alone that are holding some type of office in the fraternity. They are:

Jeff Taylor—Hypophetes
Brad Brenner—Crysophylos
Steve Brightwell—Histor
Jim Moore—House Manager
Andy Espey—Director of Daughters
Ron Ratkey—Assistant Director of Daughters
Mike Mussallem—Assistant Intramural Director
