## TAU KAPPA EPSILON Delta-Nu Chapter

Dear Fraters,

As this year's histor, I have tried to improve on many areas of alumni relations with the active chapter. We have a good strong number of alumni and we know how important alumni are to us, therefore we want to make things better in any way we can. I personally felt that if I succeeded in only a few of my goals, that changing the format of the Delta-Nu Review would be one of those goals met.

This new format is only the beginning of better chapter/alumni relations in the years to come. I feel that by expanding the newsletter to include pictures as well as graphics, we are giving you more of what you want and also deserve. I cannot say much for this particular edition, but it is our first and we will definitely start to improve as we go along.

A point that I feel should be emphasized is the help you can give us to make the Delta-Nu Review more attractive and colorful. The basis for a good newsletter is alumni response through letters, pictures or simply dropping us a short note telling us what you've been doing. We need the feedback from our alumni so we can include the news in our newsletters to all the fraters.

Another sign of improvement is our Delta-Nu Alumni Directory due for publication this month. We feel by providing you with a directory of all the fraters nationwide, it will increase alumni communication and also alumni involvement.

One area that we are weak in is our lost addresses and trying to find them. The number of Delta-Nu fraters with bad addresses is increasing and that is not a good sign. More and more I notice the letters, newsletters, etc. coming back with a bad address on them. Our lost fraters are increasing and we want to strongly encourage any frater that is moving to drop us a line telling us of your change of address. It will make things easier and you will continue to receive current chapter information through the mail. I plan to run a list of our fraters with bad addresses in the next Delta-Nu Review in the hope that maybe some of you alumni will know where these TKE's can be located. So be on the lookout for our lost fraters list soon.

I would also like to encourage any frater with any ideas or suggestions for the improvement of the Delta-Nu Review to write in and let us know. Tell us what you like or dislike about the newsletter and what you think of the job we are doing.

In closing, I would just like to say that this new Delta-Nu Review is solely for our alumni and we hope you enjoy the change of its format. We hope you're all doing fine and enjoying success at whatever you're involved in. We also hope to hear from you soon and remember, we need the alumni information before we can print it in our Delta-Nu Review so take a little time out to write us and let us know how you've been and what you've been doing.

Yours In The Bond,

TKE's and Daughters pile up on a waterbed during a grand opening promotion in St. Joseph, Missouri. The Delta-Nu chapter won \$200 for piling the most people on a waterbed and we also received TV coverage from Channel 2 in St. Joseph. Final toll of criss-crossing bodies: 47.

## DELTA-NU ODDS AND ENDS

First, and most important, the date for next fall's Homecoming is set for Saturday, October 11, 1980. We are excited and hopeful of a large alumni turnout at the TKE House. This year's homecoming was a tremendous success and next year's will be even better. So start making plans now to return for the Homecoming weekend. It will be a good time for the actives as well as the returning alumni.

The chapter took 19 associate members this spring and will be conducting the activation for our new members soon. With the addition of the spring class, the total number of TKE's in the Delta-Nu chapter is 93.

The Red Carnation Ball was held recently in Overland Park, Ks. and with all the alumni in attendance, it turned out to be a huge success. We would like to thank the alumni who attended for their help in making it such a great time.

Frater Steve Brightwell was elected this year's Top TKE by the chapter and he was also elected to be Prytanis-President for the coming year. Recently, 10 of the Delta-Nu fraters attended the TKE Regional Leadership Conference in Lincoln, Nebraska, to learn how to improve different aspects of our chapter. We're proud to announce that upon completion of the conference, Maryville and the Delta-Nu chapter was chosen as the site for next year's TKE Regional Leadership Conference. We will be hosting about 250 TKE's from a four-state area and we plan to make this conference and their stay both educational and enjoyable.

# TKE HOMECOMING 1979

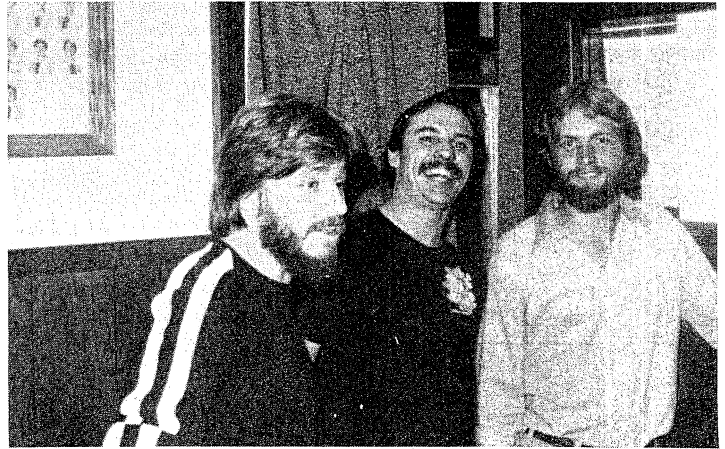

Fraters Bob Sawicki and Steve Humphrey wait around the bar for their next drink.

Many people reminisced around the doorway of the TKE House including fraters Steve Gumm and Ron Gryder.

Fraters Lonnie Boeding and Alan Nicholas entertain two young women at the Homecoming party.

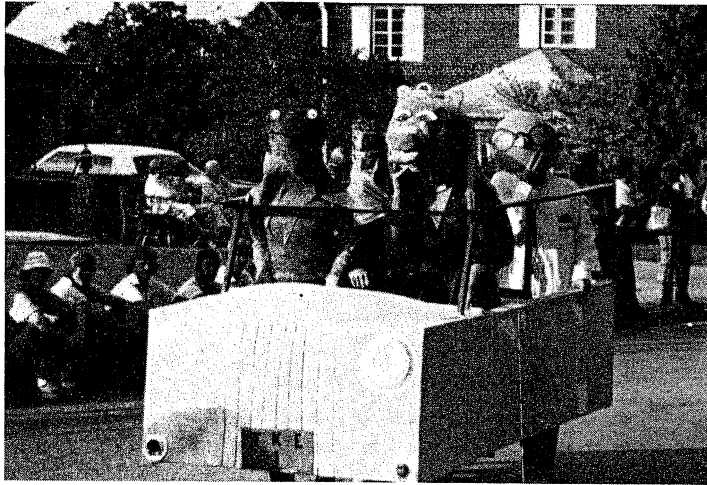

Guarding the door as well as the corner were fraters Craig Bonder, Bill Espley and Steve Driever.

Fratr Brian Wunder finds the bar service a little slow so he helps himself.

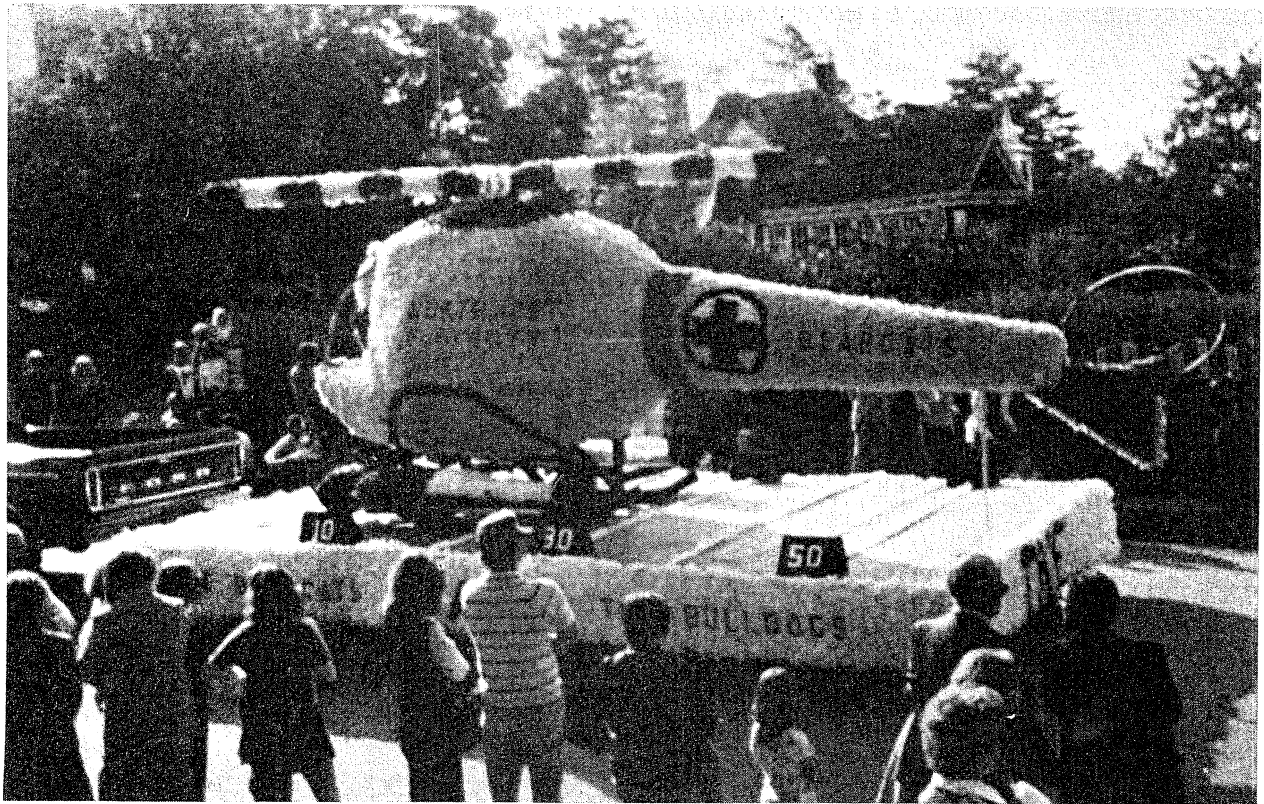

Homecoming Awards: the NWMSU Spirit Flag, first place trophies for our float, housedeck and group clowns, and a third place for our Homecoming skit.

Kermit, Miss Piggy and the whole Muppet gang ride in the TKE Muppet Bus at the Homecoming Parade.

Fraters Tad Trecker and Jim Booth prepare to lead the TKE skit, *Young Frankenstein*.

With frater Jim Moore in charge, the TKE's received first place for our M\*A\*S\*H float.

Fraters Glen Gude, Steve Brightwell and Tad Trecker motivate the TKE section to win the spirit flag at the Homecoming game.

Frater Mark Swope headed the housedeck production and the result was a first-place award.
