TAU KAPPA EPSILON Delta-Nu Chapter

Dear Fraters,

As this year's histor, I have tried to improve on many areas of alumni relations with our chapter. We have a strong number of alumni and we know how important alumni are to us, therefore we want to keep you informed on what's happening with us.

One of my goals as histor is to eliminate some of time consuming work involved in addressing our mailing material. I've secured an account on the university's computer system. With this we can have our alumni list printed on mailing labels as well as have a computer print out of our alumni list for a minimal cost. This will allow the Histor to send you more information faster and more often.

One area that we are weak in is our lost addresses and trying to find them. The number of Delta-Nu fraters with bad addresses is increasing and this is not good. Our lost fraters list is increasing and strongly encourage any frater that is moving to drop us a line telling us your change of address. It will make things easier and you will continue to receive current information about the chapter. I'm running a list of our fraters with bad addresses in this issue in hope that some of you alumni will know where these TKE's can be located. So if you do know the address of anyone on the list, please write us!

I would like to encourage any frater with ideas or suggestions for improvement of the Delta-Nu Review to write and let us know. The basis for a good newsletter is alumni response through letters and pictures. We need feedback from you, so we can include your news in our newsletters to all the fraters.

I want to thank all the alumni that did let us know how you're doing and hope you will continue to do so. We hope you're all doing fine and enjoying success at whatever you're involved in. Remember to have a successful Delta-Nu Review we need to hear from you, so take some time out and drop us a line.

Yours In The Bond,

Mike Glaspie

DELTA-NU NEWS

The chapter took in 11 new associate members this spring and will be conducting activation for our new members soon. With the addition of the spring class, the total number of TKE's in the Delta-Nu chapter is 90. We also took in 24 new daughters this spring to increase the Daughter's of Diana to about 50.

Delta-Nu hosted the Midwest leadership conference the weekend of February 21 on our campus. TKE's from a five state area attended the conference with more than 200 in force. Frater B. D. Owens, Grand Pylortes, also spoke at the leadership conference. Frater Roger Leeper of Delta-Nu was elected to the planning committee for next year's leadership conference to be held at Iowa State.

The Red Carnation Ball was recently held at the Marriott Hotel in Des Moines, Iowa. Thanks to all the alumni who attended and made it a great success.

The American Heart Association recently held a Jump-Rope-A-Thon at NWMSU in Lamkin Gym. Delta-Nu had 12 fraters participating in the event raising money for the American Heart Association.
