PRYTANIS REPORT

Hello once again. It's time for another Delta Nu Review so we can report to you the developments of our chapter.

As the new president, since January, I feel very proud of the accomplishments we have achieved so far this semester. We had an outstanding dry rush this semester which produced 11 fine men who finished pledgship last week. We have also had several community and campus activities keeping us very busy. Needless to say the campus knows about T K E.

We have had two visits from TKE National representatives and they were very impressed with Delta Nu and our accomplishments.

Recently we had 11 fraters from Delta Nu attend the McNutt Regional Leadership Conference in Kansas City. Our chapter had the largest number of men attend the conference. While at the conference we recieved a plaque for Outstanding Membership Recruitment, which was very good considering that only 5 chapters out of 30 received awards. Our new officers are really striving for better alumni relations. As you probably have heard, we have started publishing an Alumni Directory for you, the Alumni. We hope that by having the new directory with addresses of fraters nationwide it will increase inter-alumni communication, as well as better communication with you and the active chapter. This will hopefully help us cut down on the list of bad addresses. If you care to receive the Alumni Directory it is only \$15 payable to Delta Nu Directory Fund. Mail your check to:

University Publishing Corp.
P.O. Box 1311
Bloomington, IL 47402

Many thanks to those who have already purchased their directory.

Now that you know the activities of TKE, we are anxious to hear of your activities. Please drop us a note.

I will plan on seeing you at our RCB Alumni meeting April 13, 1985 at 5 pm. So find that TKE pin you have not worn for years and plan on attending.

FRATERNALLY YOURS

EPI PRYTANIS

This semester the enthusiasm of the chapter has been outstanding. We have set the pace for our competition throughout the semester. Part of this is due to inter TKE functions. Functions such as the TKE Breakfast Club which began when we got a new stove and range oven for the house. We meet every Sunday morning at the house for breakfast. This gives us a chance to discuss chapter matters in an informal setting. We recently had the neighborhood residents over for the Breakfast Club with an over-whelming success. More than 30 neighbors attended causing several quick trips to the grocery store.

The neighbors commented on how well the house looked

inside, since many of them had not seen it for many years... It was really an event. Next time you are in town please stop by the house for Sunday breakfast and you can see what a success it really has become.

Other upcoming events include a neighborhood easter egg hunt and St. Judes research hospital philanthropic project. If you have other ideas from past college days please let us know.

RCB

There is only a few weeks left before RCB. We all sincerely hope you will attend. This is one of the few chances that we have to get together as a chapter. Once again to remind you RCB is being held at the Holiday Inn Holidome located at 7333 Parvin Road in Kansas City, Missouri on Saturday, April 13, 1985. The dinner is \$36.54 per couple. The Alumni meeting will be at 5pm April 13, 1985. For reservations write Frater Wayne Cole at the TKE house soon!

We hope you all will take advantage of this event to meet your old friends.

HOUSE REPORT

The mortgage on the house has recently dipped just under \$3,000. This is due to the fraters who have donated \$50 or more to our Honor Roll House Fund to help pay off the house.

The Honor Roll plaque includes recent donatations from Fraters:

We are also working on many improvements to the house. The basement walls are currently being patched and we hope to fix the east basement room up with paneling and carpet. We are also in the process of starting a kitchen in the basement. The upstairs bath has a new floor and ceiling. We are planning to fix the Girls bathroom also. The garage has been cleaned out and all the excess junk has been hauled off. We hope to get the garage painted this spring.
