Philanthropy/Service/P.R. Update

Since the beginning of this school year, our focus has been on the Top TKE chapter award. One of the ways we have attempted to help in our attaining this is through our philanthropy, service, and public relation efforts. We are trying to do a lot and having fun helping others.

Here is a sample of some of the things that we have been doing:

- won \$500 for collecting most aluminum cans of any Northwest organization for Earth Day -- 600+ pounds!!!
- working with the elderly at the Maryville Chateau
- donating blood during the campus wide annual Blood Drive
- started what has been a successful neighborhood recycling program
- the annual Easter Egg Hunt and Halloween Party
- exploring the possibilities and potential of joining the Maryville Chamber of Commerce
- keeping in constant contact with our neighbors

This is only a taste of how Delta Nu is improving itself and its image with the community.

GREEK WEEK 1992

This year's Greek Week was, to say the least, successful for TKE. It was a lot of fun and definitely proved that is once again a team to be reckoned with at Northwest.

Here is a list of the awards we received:

- Greek Games
- Most Greek Participation
- Most Spirited Song
- Best Banner
- Service Project Award - for contribution and participation
- Most Pennies raised by an organization for Camp Quality - over \$295

In a nutshell, we swept Greek Week and left all the others in our dust!!!

Our performance proved to us and hopefully the rest of campus that TKE is one of, if not the top fraternity at Northwest!!!

From the desk of the chapter:

Thanks to everyone who visited over the past year, it's always great to see you. Special thanks to everybody who attended the Pete Wieland Memorial Volleyball Tournament May 2nd, we hope you had fun!

SUMMER RUSH

As we told you in the last Delta Nu, we will be implementing a Summer rush program. Activities will include cookouts, volleyball, softball, games, maybe a little drinking, and a whole lot of fun. Many of you have been curious about how the new pledgship works and can be successful; this is your perfect chance to help yourself and TKE. Asking you for help is one way to keep you in touch with the active chapter as it is now and the fraternity you love.
