Histors

Dear Fraters,

The main focus of our semester as Histors is to work on updating the alumni database. It is a difficult process locating lost Fraters and we need continued support and help from alumni. We managed to find close to 75 Fraters since the last Delta Nu was sent out. We hope to continue at the rate until we have located all the alumni. Also, 300 phone numbers have been entered into the database that had been lost due to the fire. Furthermore, we managed to find correct scroll numbers for about 75 Fraters that were lost or incorrect.

A scrapbook was also finished chronicling the fire and the events following. A second scrapbook will be put together over this summer covering the historic events of the Delta Nu chapter in the last year. Eventually some pictures and articles will be added into the Website so that all alumni may have a chance to see it.

Thank you to all the alumni that came out for the Pete Wieland volleyball tournament and the TKE golf scramble. It was a good time and the chapter was glad to have everyone back.

In the next issue of the Delta Nu we want to have a section of Alumni News. If you want to be in the next issue, write to Russ Northup and tell us where you work, your scroll number, and anything about what is happening in your life. This has been done in past Delta Nu's and we want to get it started again. We hope to hear from you.

Prytanis

Greetings Fraters. This report finds the chapter doing well as the academic year winds down. The recent success in Greek Week still has the chapter feeling very good about itself. The brotherhood in the chapter remains strong despite the lack of a house. Our temporary location at 108 W. 5th serves us very well for brotherhood events, social events and any other event that the chapter wishes to have. This temporary house is great place to have all kinds of events, including Homecoming events this fall. I encourage all alumni to come back and participate in the festivities. The chapter is planning to have just as many events as in previous years. The chapter is still determined to go on with all the Homecoming activities despite the lack of a house, including welcoming back all Delta Nu alumni.

Delta Nu was pleased to announce on May 5, 1997 that the scroll reached 1300 men. Brent Sneed from Orrick, Missouri, was the frater who received this scroll number. Sneed, along with 7 other initiates pushed the scroll up to 1303. The chapter feels very proud of this fact. Very few other chapters in all of TKE have reached this level of achievement in such a short span of time.

The active Fraters of the Delta Nu chapter are working hard to propel ourselves into the future. We want to maintain that level of achievement that the Delta Nu chapter has come to know and expect.

Alumni Meet in Kansas

For one year now, a handful of Fraters have been gathering once a month for lunch in the Overland Park, Kansas area. We received a letter from Kevin Kemmerer '648' giving details about this and noting that any other Fraters are welcome to attend. They meet at Tanners Bar and Grill at 119th and 69 Highway, (10146 W. 119th). They meet the third Thursday of each month at 1:00 P.M. April marked the one-year anniversary that these Fraters have been meeting at this location. If you want more information on this Kevin can be reached at his residence at 913-339-6228.

Delta Nu Online

The Delta Nu chapter has opened a new home page on the Internet. Fraters Jason Klindt '1278', Chris Peasley '1248', and Heath Milks '1202' have created this homepage over the last semester. This page is still under construction but we hope to have many features added to it in the near future. If you wish to email the chapter or an individual Frater, visit this homepage at: Http://www.nwmissouri.edu/~0500242

Chapter Advisor

It is hard to believe that another semester is rapidly coming to a close. This has been a very busy spring for Delta Nu. The Board of Trustees has been busy with the activities of selling the property at 222 West Cooper and purchasing property adjacent to the University on 9th Street near the Northwest corner of the University Campus. The property has been title searched and an environmental survey was conducted to ensure that no problems will be encountered down the road with additional financing or construction.

Plans for a new house are being developed. The "dream" plan for an ideal house will probably be too expensive, but the Board of Trustees is committed to work toward the most optimum design that will incorporate all the needs of Delta Nu and still be affordable. A formal Fund Raising Committee has been formed and I would like to thank the alumni that have said "yes" to the invitation to serve on this committee. A meeting of the committee will be held on May 17th. Designing the fund raising campaign and and developing the network that will be necessary to contact each alumni of Delta Nu will be a big task. This effort is hopefully nearing fruition and the formal fund raising campaign should be underway in a few weeks.

The effort to locate those Fraters that we do not have good addresses on is progressing. The input of alumni as a result of the "listing" in the last issue of Delta Nu has been great. We have new addresses on nearly 75 Fraters whose addresses were not accurate in our database for one reason or another. As you may recall, we lost the most updated database in the November fire and had to rebuild on an older database that was saved. We have published the remaining missing Fraters in this issue of the Delta Nu so continue to help the Histors find a current address for ever Delta Nu alumni.

Contact from alumni continues to demonstrated the enthusiasm and support that you all have for the new house project and the future of Delta Nu. I have received notes via US mail, e-mail, telephone and personal visits from alumni all over the country. It has been very rewarding to see the brotherhood respond to the tragedy of losing the "old house" to fire. We will survive this disaster and come out of it stronger and more alive as a fraternity than before. Keep in touch.

Epiprytanis

This semester has finally come to a close and this chapter has much to show for it. Greek Week was a big success. We took home seven awards as a chapter this year including: Joe Brannen-Outstanding Greek President; Jared Simmons Outstanding contribution to the Greek system; First place in philanthropy and Greek Song; the Phi Mu brotherhood award; Best new member program from Sigma Sigma; and Overall winners of Greek Week.

Our next project as we finish the school year is summer rush. This summer letters will be sent out to incoming freshman, as well as helping them move into the dorms next fall during advantage week. This will ensure that the incoming freshman will be aware of Teke before rush even starts.

Homecoming plans for next year are also underway. The theme for next year will be "Famous Firsts" and we will be working with the ladies of Alpha Sigma Alpha. Plans for float and House Deck, which will be on the new land, have already been planned out and we are going to get an early start on it this summer.

As you can see, much work has already been put into next year, and the active chapter of TKE is still running strong. We hope to see everyone on June $21^{\rm st}$ at the Mike Settles softball tournament.
