New House Update: Making it Happen

February 1998

Third Edition

Fellow Alumni Fraters of Delta Nu,

It's been 15 months since a fire destroyed the TKE house we all remember on the corner of Cooper and Filmore streets. Since that time, the old lot on Cooper has been sold, a new lot in a prime location next to the campus has been purchased and a campaign to raise funds for the new TKE house has been implemented.

On November 15, 1997, the formal "Groundbreaking" ceremony was held at TKE's new location with 175 Delta Nu supporters in attendance. Currently over \$70,000 has been raised with only 150 fraters participating in the fund drive to date.

"And they said it couldn't be done."

Our success thus far will allow us to take the next step toward our goal of a new facility for Delta Nu. Lot preparation will begin this spring, however we alumni are not finished with the task at hand. The goal for the fund drive is to raise \$200,000 from TKE alumni, undergraduates and friends of Delta Nu chapter. With the current success, that leaves \$130,000 yet to be committed from the remaining alumni and active members. With the trend set by the first 150 supporters, this goal can be met and even surpassed! We have no doubt it can be done. With the resources of the remaining 1100 Delta Nu alumni this should be an achievable and exceedable goal! The time is now to consider our cause and get on board!
