

DELTA NU REVIEW

Tau Kappa Epsilon at Northwest Missouri State University

Spring 2005

32 New Fraters Join our Bond

Delta Nu started the year with only 29 members including 5 seniors slated to graduate at the end of the semester. With problems due to this number decrease, the Fraters of Delta Nu, along with help from very active alumni and TKE International Representative Kevin Smith, were able to acquire 35 new members to join the candidate program during fall rush. The class was the largest on campus with the nearest Fraternity to this number being Phi Sigma Kappa with only 25 new candidates.

The week of Fall Rush was very hectic for the fraters, but with hard work and dedication 35 men were

chosen to be TKE material. The highlight of Rush was the annual TKE smoker where actives, alumni, and prospective members were able to

Toby Craig's sister was gracious enough to supply the lasagna for the dinner. Testimonials of what TKE has to offer were then given by alumni.

Delta Nu ushers in a new era proudly presenting the Men of Tau Kappa Epsilon containing 32 new members

gather for a formal dinner in the chapter room. This year

After Rush the new members were put to work immediately to begin the new member education process. After numerous weeks of work from Hegemon Ross Crouch and his assistants Dana Dill, Brian Duering, and Scott Graber, 32 new men remained. The other three men who decided not to finish the candidate program chose to do so because they were going to transfer.

The new members of TKE are beginning to contribute more to the fraternity and will be a valuable asset in the future. Through rush and our candidate program Delta Nu now has many who will positively contribute to the fratern-

Delta Nu Creates New Board of Advisors

Alumni and Active fraters of Delta Nu combined their efforts in the fall to create a new board of advisors for the chapter. The board of advisors was created to help mentor the active chapter and to create continuity when the chapter changes over into leadership after elections. Advisors will maintain their positions for two years giving

each frater who takes on a leadership position a chance to get a better understanding of his role as a leader and his position that he will be undertaking for the next school year.

Board of Advisors:

- Pryantis: Dan Canchola '873'
- Epi: Mark Witthar '853'
- Grammateus: Steve Moss '927'
- Chrysopholos: Max Knudsen '779'
- Histor: Dave Peterson
- Hypophetes: Brian Carroll
- Pylortes: Jeff Taylor '784'
- Hegemon: Jake Akehurst

Fall Pledge Class Donates to Cancer- Raises over \$800

During the fall 32 pledges and 28 actives participated in a fundraising event planned by the fall pledge class. The event took place at The Hangar in Maryville and all the money earned went towards the Leukemia and Lymphoma Foundation.

Overall participation was fantastic as the goal was set at \$200 and \$800 was raised by the end of the night. Students from Northwest and the Maryville School attended the movie, National Treasure, at \$5.25 per person. The event was held at the Hangar in Maryville and with the efforts of new men who work at the hanger includ-

ing Dane Martin this project was able to get off the ground.

All of the actives and pledges attended and the turnout was spectacular. Because the event was such a success, a second movie night is in the making.

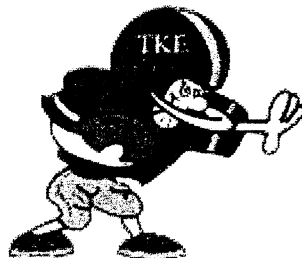

TKE Football Run Raises Money and Awareness for Alzheimer's

Chapters for Northwest Missouri State and Missouri Western again teamed up this year for the annual "Running Past the Rivalry" run from Missouri Western College to Northwest Missouri State University. The football run is the highlight Philanthropy of the fall for both chapters. Before the run Xi-Eta and Delta Nu went to their respective communities to ask for donations to support Alzheimer's research. Both chapters were again very successful this year with numerous donations. Fraters from Mo. West ran the ball up for the game this year in Maryville and were met at Bearcat Stadium by Delta Nu. Both chapters then were able to run the game ball onto the track at halftime of the game. After the

"It's great not to only raise money for the Alzheimer's Association, but Running Past the Rivalry gives two TKE chapters a chance to get together to raise awareness around Northwest and Western Missouri"

-Pryantis/ Jason Mehrhoff

Bearcat victory, Xi Eta was treated to a barbeque and a "friendly" game of flag football.

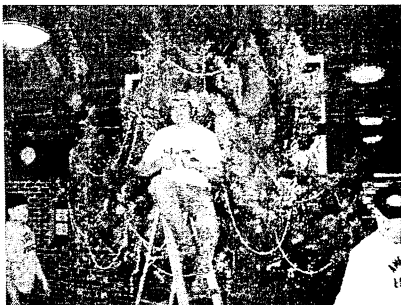

Visit Delta Nu on the Web at nwtke.com

Delta Nu Philanthropy Efforts

Although Alzheimer's is the TKE National Philanthropy, Delta Nu contributes to more causes than just one. During the year Delta Nu has given up time and raised money for various philanthropy efforts. TKE took part in the annual S.O.S walk sponsored by Sigma Sigma Sigma Sorority. The silent walk was to raise awareness for their national philanthropy.

Recently TKE took part in the Special Olympic basketball tournament. Ten fraters donated their time and energy to volunteer for the annual tournament and even

played against the All-Star Team. TKEs also handed out well-deserved medals to the participants of the competitions.

Sigma Kappa's Alzheimer's walk was also a place where you could find TKE's donating their time and money. The city-wide walk was used to help raise awareness and money for the disease.

Before Christmas TKE teamed up with

Alpha Sigma Alpha Sorority to make cookies and goodie bags for the elderly in nursing homes. Over 50 cookies and bags were created and sent to the nursing home. The Alpha's also helped us decorate our Christmas tree with popcorn and fruit loops.

Events to raise money or spend time for philanthropy purposes:

- Phi Mu Dodgeball Tournament
- TKE Sweetheart
- Sidewalk Scoop
- Running past the Rivalry Football Run

TKE's Visit Leadership Conferences

On February 27 - 29, five TKE's attended the Regional Leadership Conference in St. Louis Mo. At the conference each member attended leadership, rush, fundraising, or financial sessions that dealt with hot topics within each division. When the actives and alumni were not in conferences, they attended a regional meeting and an initiation ceremony. At the end of each night all of the TKE's fraternized together and enjoyed a formal meal. After the scheduled events were over, members of each fraternity joined and mingled together to learn about each other and our fraternity in ways that TKE's do best. Delta Nu was proud to have our chapter mentioned several times during the

weekend in relations to alumni and rush. We were also proud to have the most alumni in attendance out of the other

Midwest TKE's. The weekend events were very successful overall.

Member's who attended:

Jason Mehrhoff, Derek Smith, Aaron Hunter, Dean Campbell and Kenneth Hamilton.

Alumni included Steve Moss, Dan Canchola, and Dave Teeter

Dan Canchola, Steve Moss, David Teeter. Dan and Dave joined the elite Life Loyal TEKE foundation joining Frater Steve Moss and many others at the conference who can claim that honor.

TKE Sweetheart Selected at Northwest Missouri State

On February 16 the Delta Nu TKE Sweetheart was announced. At a pageant where one representative from all the sororities participated Samantha Sweet a Sigma Kappa Freshman was announced this years Sweetheart.

Organizing this effort was Frater Dana Dill who is currently the External Epi-Pryantis. Dill was able to organize a contest where the winner would be able to enter our national Sweetheart competi-

tion for a chance to win a \$500 scholarship from TKE International.

The pageant was held at the Charles Johnson Theater and entry into the theater was \$1. All of the proceeds from the pageant went to the Alzheimer's foundation. After everything was said and done TKE was able to donate \$125 for Alzheimer's.

The competition included TKE Spirit, Talent, and Evening ware and question

events. Fraters Tom Peck and Dan Barnett were the Masters of Ceremonies keeping the crowd entertained.

TKE was also able to join forces in the event with Sigma Kappa who sold suckers outside the theater to also raise money for Alzheimer's.

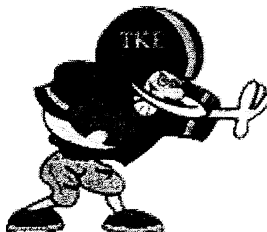

Intramurals

TKE intramurals for the 2004-2005 year was eventful. The fall semester started out with a final four appearance in softball from Team one. Unfortunately, they eventually lost to the Delta Chi one team that they had beaten prior to this semi-final meeting. In football the TKE team one went to the semi finals, but lost to Sig Ep. This year dodge ball was introduced into the intramural program. We played solidly in the tournament and

came away with a third place finish. This Spring TKE has placed second in Ping Pong thanks to new initiate Jamal Pruitt. Currently TKE is competing in bowling with a very solid first team. It's tournament time for basketball and TKE has Team one playing Alpha Gamma Rho in the semi-finals. Winner of that will play the Sig Ep or Phi Delta Theta

winner in the Championship. Team one can make the championship for the second consecutive year. With all of Delta Nu's success off the field, it's good to see that we continue to strive for excellence and improvement on the field.

Homecoming

2004 homecoming for Northwest Missouri State University was a good time. The theme of homecoming was "Bobby Goes South". TKE participated in Pomp Clowns, Jalopy, Paper Mache Clowns, Skit, and Costume Clowns. We placed second in Jalopy and placed third in Pomp Clowns and Costume Clowns. Our Jalopy was a remake of the General Lee car the "General TKE". For Costume Clowns, four guys dressed up as the Village People and did the "YMCA" dance for the judges on Homecoming day. For

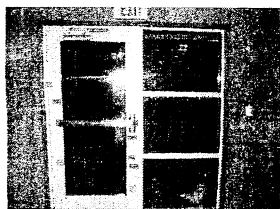

Pomp Clowns we pumped three Amigos. We did skit with the ladies of Phi Mu. The skit chased Bobby Bearcat all the way to Antarctica before the big game. Frater Tom Peck was nominated for the best actor performance for his role as Chuck in the skit. Preparing for the variety show with the Phi Mu ladies was a great time. We had many practices and it was a fun time and we have built a great relationship with the Phi Mu ladies because of skit.

Homecoming for 2004 brought the fraternity closer as a whole and Delta Nu got to see first hand the power of 35 new members. We look forward to next year's homecoming and working on improving on this last year.

State of Delta Nu

Greetings Fraters from the office of the Prytanis Jason Mehrhoff. Great strides have been made this year on the part of the actives and alumni to ensure that the Delta Nu chapter of Tau Kappa Epsilon will continue to survive and be a dominant power at Northwest. The year started off on a low note with the news that the house was going to be sold at the end of the semester. With work at a rush workshop held by Frater Brian Carroll actives and alumni were able to combine their efforts to plan the future for Tau Kappa Epsilon. I believe that meeting, along with the help of Kevin Smith and continued help from alumni is why we are now stronger than

New Back Door of the Delta Nu House

ever and ready to push into the next year. The moral of the chapter is very high with a lot of youthful enthusiasm. It is truly amazing what happens when a group of men gets together for a common goal and an unflinching willingness to succeed. This year we have raised over \$1,500 dollars for various philanthropies and taken part in over 700 community service hours, the most among fraternities on this campus. TKE at Northwest is leading the way in over 15 organizations on the campus giving us not only leaders, but a place with which to rush more leaders.

Recently, Delta Nu has been basking in the glow of our early rush success and at RLC were

mentioned many times for our efforts this year. Although there have been a few bumps along the way, Delta Nu has been able to weather the storm of a few growing pains and with the help of actives and alumni are continuing to keep the successful tradition alive. With the theme of many men as one man we are beginning to build a foundation of love, charity, and esteem again on the campus. Thank you for all your help and hope to continue our success.

Y.I.T.B. Jason Mehrhoff ΔN '1422'

Alumni News

Delta Nu Celebrates 50 Years

On Saturday, May 15, fifty years ago to the day, Delta Nu Fraters from all generations gathered at the TKE House to celebrate TKE's founding at Northwest Missouri State. Since then, Delta Nu Chapter of Tau Kappa Epsilon has had a solid history as a leading fraternity at Northwest and a leading chapter within the TKE International organization. Since 1954, more than 1400 Fraters have signed the scroll making Delta Nu one of the fastest growing chapters of all time in Tau Kappa Epsilon.

The 50th Anniversary Celebration weekend began Friday, May 14th with the Annual TKE Alumni Golf Tournament headed by Tournament Chairman, Michael Reiff, at Mozingo Lake. The tournament, which started ten years ago, is held annually each May. The 2004 tournament was sold out with 73 golfers, making it the largest attendance in tournament history allowing for a shotgun start. The winning TKE team was the team of Fraters Bill Reiff, Lee King, Doug Johnson and Marshall Dan with a score of 7-under-65.

Following the golf tournament, the Fraters who played in the tournament retired to the TKE house and were joined by other Delta Nu Tekes for a 1st-class cookout with steaks, pork chops and all the fixings under the direction of Frater Tony Dorrel. This event marked a true inauguration of the New TKE house as more than 100 alumni Fraters from all generations of Delta Nu enjoyed our new facility in true TKE fashion. The evening provided the first opportunity to see the completed "Richard W. Wiles TEKE for Life" alumni donor wall. The brick wall recognizes those Fraters who have supported the effort to build the New TKE House. The plaques and nameplates on the donor wall and their installation were coordinated by Fraters Dan Canchola and Steve

Moss. During the evening, everyone took advantage of the opportunity to bond with one another, experience the brotherhood we all share and catch up with other Fraters on a beautiful evening.

On Saturday, the anniversary weekend hit its full stride with numerous events for all in attendance. The morning began with a kickoff and welcome, by 50th Anniversary Chairman, Frater Steve Moss. The kickoff provided a chance to get the day started as well as recognize many of the distinguished

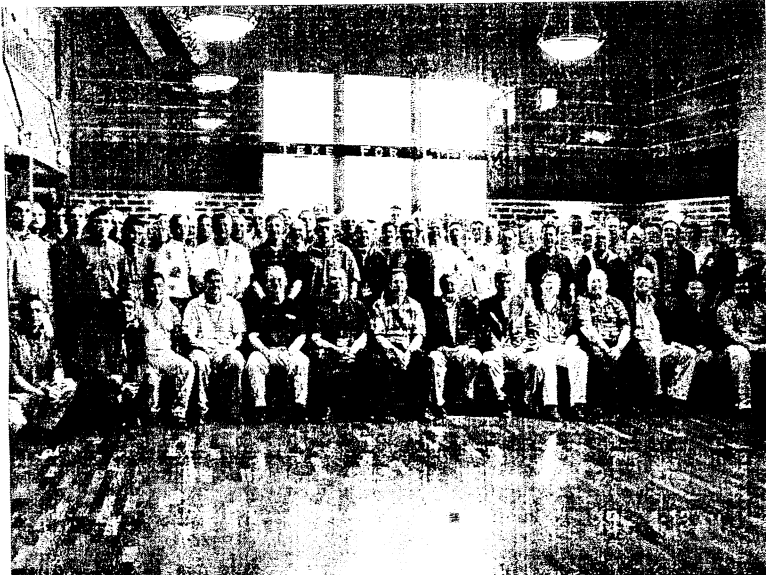

TKE alumni have a luxury suite.

Active and Alumni Fraters gathered back at the TKE house for an afternoon TKE Ritual ceremony and initiation meeting as all Delta Nu alumni in attendance were initiated in to the "Teke for Life" ritual. This new ritual ceremony was adopted several years ago, intended for those Fraters who are graduating seniors and are joining the ranks as a Teke alumnus. Frater Richard Dinkel, Delta Nu Scroll #13 was the earliest Past Prytanis in Attendance. He served as the opening

Prytanis for the day and then passed the leadership to current Active Prytanis, Frater Jason Merhoff. Undergraduate Frater, Derek Smith Scroll #1433 was also written into the Delta Nu history books as he was initiated into the bond of TKE and signed the scroll in front of a standing-room-only crowd on this momentous day for Delta Nu. The meeting continued with a business meeting and update on alumni activities and progress since opening the TKE house in 1999. The meeting was closed with a traditional TKE Gavel Pass. The TKE gavel was passed through the hands of those fraters who have made TKE successful in its early years as well as those

hands who are leading our chapter today.

Frater Dinkel highlighted the meeting as he commended the current chapter members for their efforts for TKE's philanthropy, The Alzheimer's Association. Frater Dinkel generously agreed to match the chapter's recent fundraising effort of \$800 with \$1,000 if those in attendance would agree to could provide the additional \$200 needed to reach \$1,000 that day. His call to the alumni in attendance was answered and effort ended with the needed \$1,000 being raised and an additional \$1,000 from Frater Dinkel bringing the entire contribution to The Alzheimer's Association to \$2,000! Alzheimer's disease recently touched Frater Dinkel's family and is an especially important cause to him.

guests, including Frater Dick Wiles, who served Delta Nu as Board of Control Chairman from the mid-1960s to the mid 1980s. Northwest Alumni Association Mike Johnson updated everyone on the University's progress and the upcoming Centennial for Northwest. Frater Mark Fite, TKE International Grand Epi-Prytanis, gave an inspiring talk as he and Frater Brian Ferber, TKE International VP of Operations, represented the International Fraternity for the weekend. We also took a moment to remember our fallen Fraters who have entered TKE's Chapter eternal. The weekend was dedicated to Frater Kurt Gentry, 1280, who lost his battle with cancer earlier in 2004.

Lunch was served on the patio, and some Fraters took the opportunity to visit the newly renovated football stadium where a group of

Alumni News

50 Year Celebration (Cont.)

At the banquet, Delta Nu Fraters Tom Ibarra of the Kansas City Star and Chris Stigall of Kansas City's FM station 97.3 "The Planet" served as the evenings emcees. They delivered some great laughs as they introduced Fraters from each decade who gave everyone a little insight into an experiences they had while active in Delta Nu. Fraters Dwight Grantham, Lee King, Steve Eckard, Mark Witthar, and Eric Drake among others, reflected on Delta Nu's past. .

Fraters Chris Peasley, Tracy Bottoms and Jason Washam spoke about the TKE House fire at 222 W. Cooper and the move to the new TKE house at 555 W. 9th Street. Grand Epi-Prytanis, Mark Fite

presented the TKE International Key Leader Award to Frater Steve Moss, recognizing his leadership in coordination of Delta Nu's 50th Anniversary.

Looking back, the weekend was an overwhelming success, one worthy of 50 years of TKE Tradition at Northwest. This exciting celebration would not have happened if not for the efforts of an entire team of dedicated TKE Alumni. The Fraters on the 50th Anniversary Committee met frequently, worked hard and really made May 15, 2004 a special event. Their efforts have served as a launching pad for TKE Alumni involvement as lots of progress has been made and an active Board of Advisors under the direction of

Frater Dan Canchola has been established to assist the undergraduates with day-to-day chapter operations.

Steve Moss ΔN '927'

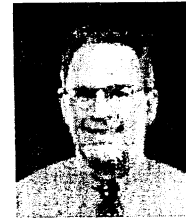

Delta Nu Alumni Honored

On September 17, 2004 the NWMSU Alumni Association paid tribute to two outstanding TKE-Delta Nu Alumni. Mr. Dick Wiles(365) and Russ Northup(350) have honored the TKE tradition of excellence by their years of service. They worked with the community of Maryville, the University, and more importantly Delta Nu. Their desire to assist young men to become leaders in all facets of collegiate life has certainly helped us to be where we are now. We are grateful for all their efforts, excitement and fun over the past 25 years. We wish both of these Fraters much enjoyment in their life of leisure. They will certainly be a hard act to follow. May we all learn from their most excellent example and move forward to maintain our long tradition at NWMSU.

Distinguished Alumni Award:

Richard Wiles (attd. 1939-1941) After 45 years at the Nodaway Valley Bank in Maryville, MO. Mr. Wiles retired in 1986. Mr. Wiles was the sponsor on the Board of Directors for the Delta Nu Chapter of Tau Kappa Epsilon fraternity for 28 years.

Distinguished Faculty Award:

Russ Northup 1965, 1990 Russell Northup an assistant professor of marketing/management who retired this summer, received the Dean's Award for Service and the Tower Service Award in 1997. In 1993, he was recognized by the national chapter of Tau Kappa Epsilon fraternity as Grand Prytanis Key Leader.

Dreams come true...

We completed the 2004 year with some very positive accomplishments. There remain many areas of improvement across the board. Many thanks to all of you who have actively stepped-up to help in our progress to secure our future at NW, our continuing success will depend on more involvement from other Alumni.

Our first priority is improving our communication between every member. While we are making some progress, we only reach 1/3 of our Alumni base via email. Snail mail is reliable, although it is expensive even using bulk rates. What is needed is for every Frater to call a pledge brother to reconnect each of us back to our Chapter. We need to update our data, addresses, email, etc. You all can help us accomplish this task; any information you get please forward the data to Frater Mike Reiff. There is work in progress for adding a new feature to our website so Alumni can update their own data. Please do not wait for this to happen. Get on your cell phone and let's get started involving our friends in their Chapter.

Our second priority will be structuring and organizing our Regional Alumni Associations. Several Alumni have expressed an interest for starting an organization in their area. I need to hear from others that want to participate. Remember our organization operates exclusively by your volunteered commitment to the Chapter. We have a great resource in our Alumni. We are fortunate to have 1400 in our Chapter and we need your help to tap into each of them.

At the Regional Leadership Conference in St. Louis, our Delta Nu Chapter seemed to take center stage. At the opening reception Frater Mark Fite, Grand Epi-Prytanis, mentioned our success and our collective good work between Actives, Alumni and the International Fraternity. Throughout the week-end Delta Nu appeared to be the forefront of all participates. We met with our newest TKE colony from Central Methodist in Fayette, Mo. It has been 16 years since TKE has brought a local fraternity into our Brotherhood. From game shows, to focus groups, to participating in the Life Loyal Teke program, to meeting the TKE Sweetheart; the men of Delta Nu stood above the rest. The whole event was great fun! I feel like all the accolades can be attributed to making the difference count and showing others that they too can overcome obstacles by working together to resolve their problems.

In order for us to sustain our longevity, we first need to remember who we came from in the past, and we need to participate and pursue who we are today, and then we can dream of who we want to be in the future.

Respectfully Yours In The Bond,

Daniel R Canchola, Board of Advisors, Chairman

Spring Rush

The Delta Nu Rushing machine from the fall of 2004 was again in full swing in the Spring of 2005. Delta Nu was again able to topple the competition in rush bringing in 7 new guys to our candidate program. Rush efforts were choreographed this semester by rush chairmen Ross Crouch, Keaton Guess, and Jay Gentry. Candidates are currently working with Hegemon Chad Stearman to attain the TKE attitude of Fraternity for Life.

Names of Candidates:

Greg Matthews (Kansas City, MO)
Nathan Cracraft (Maryville, MO)
Nick Kazanowski (Liberty, MO)
Aaron Pierson (Liberty, MO)
Emanuel Blando (Kansas City, MO)
Zach Wilkins (Excelsior Springs, MO)
Steve Greenwalt (Shenandoah, IA)

Dear Delta Nu Frater.

As a first on the Northwest Missouri State University campus, TKE and its Alumni embarked on building the first "Fraternity Specific" house after fire destroyed our Home of 38 years at 222 West Cooper Street. During 1997 the recovery and rebuilding plan was implemented and called for construction of a new Delta Nu house to be built near the campus. This plan costing \$650,000 consisted of \$200,000 financing from Alumni and \$450,000 from our Active Chapter members. The alumni fundraising drive netted \$130,000 to support this project, well short of the original goal. Six years after the fact, \$32,000 remains uncollected from the alumni portion of the financing plan and the goal is still has not been met.

Up until now, the TKE Board of Trustees has tried to make things work, but the shortcomings on the fundraising for the TKE Alumni portion of the plan have now put us in an un-favorable position with our creditors. We are now working to ensure that our *TKE House* remains as a testament to all the active Tekes and TKE Alumni at Northwest.

We need your help to remedy this situation. Currently, we are reorganizing and mobilizing our efforts and fundraising drive. Our goal is to assure Bank Midwest that a "Good Faith payment" of \$20,000 was delivered on **December 1, 2004**. An additional payment of \$20,000 will be delivered by April 1, 2005 to remove our financial hardship and the banks concern for their loan to us. Plans are in place for the Active Chapter to resume their financial obligation for the balance of the note.

Since our 50th Anniversary celebration in May 2004, we have taken this cause to heart and along with The TKE International Headquarters, we are working on putting Delta Nu back in the game and on track for another TOP TKE Chapter Award. All of us working with the Active Chapter are taking a serious look ahead into TKE's future at Northwest. Already our Actives are on course with pledging 34 new associates. Additionally, the following elements will be key to our success:

- 1 A "PayPal" donation collection service is being implemented to allow Tekes to contribute via the TKE website
- 2 We have established strong and ongoing communication with Actives, Alumni and the Offices of the Grand Chapter.

It's up to **YOU** and every Frater on the Delta Nu scroll. Help us contact others...and pass it on! **Take action today!** Let us remember those who came before us, those who are with us today and those who will become part of our chapter's future. Let us remember that what we do today will only foster and continue our TEKE for Life oath.

Yours in the Bond,

Delta Nu House Fund Campaign Committee:

Bill Ingels 508, President-Board of Trustees
Jason Mehrhoff 1422, President-Active Chapter

Daniel R Canchola 873, President-Board of Advisors

TKE

Alumni Golf Tournament

What: 11th Annual TKE Memorial Golf Tournament
Format: 4-man scramble
Who: All TKE Actives and Alumni
Where: Mozingo Lake Golf Course, Maryville; Five miles East on Hwy 136 (1st Street)
Date: Friday, May 13, 2005
Time: Registration @ 10:30 a.m.; Shotgun start @ 12:00 noon
Cost: \$50 per golfer; Includes: 18 holes, cart, driving range balls, pin prizes, post-event meal
Questions: Contact Michael Reiff at (402) 884-0733 or mwreiff@cox.net

Registration: Send completed registration and fees to: Michael Reiff, 19071 U Street, Omaha, NE 68135

Players can sign up as a single, twosome or foursome. Twosomes and single golfers will be placed on a team at the tournament. As in the past, there are no prizes for first place.

All registration fees must accompany your mailed-in registration by the registration deadline of May 6th. Tournament spots are not guaranteed until your full registration fee for you or your team is received. *See second page for Registration form.*

We will play, rain or shine. In case of inclement weather, cancellation or a delayed start will be decided at 12 noon Saturday. Don't assume that if its raining anywhere other than Maryville that it is actually raining in Maryville!

If you want to golf Saturday too, call Mozingo at 660-562-3864

POST-TOURNAMENT MEAL

As part of your registration fee, a catered post-tournament meal will be held at the TKE house at 6:30 p.m. Tea, pop and water will be provided otherwise its BYOB. If you want to join us for dinner only, the cost is \$15 per person.

CALL FOR TOURNAMENT SPONSORS!

For a \$75 or \$100 minimum donation, your business, group or pledge class can sponsor a hole in this year's tournament. Sponsoring a hole at this year's tournament is great way to build publicity for any business, donate to the chapter or honor a fallen Frater. Due to time needed to produce the signs, I need to know by April 29th if you'd like to sponsor a hole and the name that you want on the sign.

- For \$75, a sign will be placed on a hole on the course.
- For \$100, you'll get a sign on a hole and we'll also take care of a pin prize for that hole.

Brought to you by the TKE Alumni Association

All Proceeds will go to fund mailers and events for current and future TKE Alumni

Memorial Mulligans

At registration, you will be able to purchase mulligans for \$5 apiece. The proceeds will be donated to Memorial Funds that have not yet reached the \$500 mark for a brick on the Memorial donors' wall. A list will be available at the registration desk.

Saturday, April 9th 2005

9:00 a.m.-5:00 p.m.

555 W 9th

Maryville, MO

*Lunch provided

**Join actives and alumni for a fun filled day of
improving our house for future generations of Tekes.**

Proposed Project List

Continue landscaping process from last year
Sweep, power wash parking lot, paint parking spaces
Update TKE yard sign
Paint kitchen, stairwells, interior touch up painting
Clean off back patio
Scrub, clean all doors
Replace room door knobs/handles
Update donor wall nameplates
Install personal bulletin boards outside each room
Install new chapter room blinds

Supplies/Donations needed

Vacuum Cleaners
Stove for kitchen
BBQ Grill
Outdoor furniture for back patio (not an old couch)
Paint/Rollers/Brushes/Tape/Plastic drop cloths
Tall ladder/Scaffolding
Power washers
Carpet Cleaners
Small bulletin boards (16)
Anything in addition to yourself that you think would typically be helpful for
completing a home improvement project
