

It's getting better all the time . . .

If the Fab 4 were Delta Nu Tekes, we're pretty sure this would be their favorite tune right now. We might want to call this the "good news" issue of the Delta Nu Review, cause it's jamb-packed with all positive news about the Active Chapter, as well as our Alumni Association. So put your feet up, grab a cup of coffee, and get up to date on all things Delta Nu TKE. It's all good news, and as the boys from Liverpool would say – it's getting better all the time!

In this issue . . .

- Chapter Formally Reinstated
- TKE House Comes Back to Life
- Active chapter Community Involvement
- Active Chapter Scholarship
- 2018 TKE Memorial Scramble Golf Tournament
- 2018 Triangle Awards Ceremony
- TKE Plans for Northwest Homecoming 2018
- Frater John Moore in the News
- Chapter Eternal
- An Organization Worthy of Your Membership

It's Official: Delta Nu Is Fully Reinstated!

July 27, 2018

Greetings Tau Kappa Epsilon Representatives,

I hope you all have had an enjoyable summer! Activities at Northwest are in full swing preparing for the return of students and are excited to get started with another year!

As the Office of Student Involvement prepares for the school year, we are excited to inform you of the status of Tau Kappa Epsilon at Northwest Missouri State University, per our conversation April 16, 2018. We are appreciative of the work that each of you have done to bring TKE back better and stronger than ever before. During that meeting, you provided updates on your accomplishments and demonstrated meeting the agreed upon terms of your re-colonization. At that time, you had met or were on progress to meet those terms.

We are pleased to inform you that Tau Kappa Epsilon has met all necessary requirements to achieve fully recognized status as an IFC chapter at Northwest beginning in the Fall 2018 trimester. This recognition is effective as of August 1, 2018. Congratulations on returning to being a fully recognized member of IFC and all of its associated privileges and responsibilities. Additionally, as a member of IFC, please remember that it is your executive council's responsibility to be in contact and communicating with the IFC executive board and Megan. This includes all IFC meetings and Presidents' Roundtables conducted by Megan.

We look forward to working with you and seeing TKE thrive in the future. Please do not hesitate to contact Megan, Matt, or myself if we can assist you in any way.

Best Regards,

Dr. Kori Hoffmann
Asst. Vice President of Student Affairs

A Long Journey Comes to An End . . . And An Exciting New Journey Begins

As detailed in past Delta Nu Reviews, over the past two years, through the exhaustive efforts of dedicated alumni working diligently and tirelessly to regain formal recognition for our fraternity, the official word came in July from the University, notifying us that we have received formal recognition of our Active Chapter and are allowed to fully participate again as a University Organization.

One of the most impactful elements of University recognition is that we will be able to fully participate in rush activities and actively recruit new members, which essential to rebuilding a successful chapter.

The effort that got us to this point was dramatic and involved significant changes in the operation of the chapter and the character of the men we recruited to become TKEs, one that is focused on academics, leadership development, community service, and personal character development. It's our intention to redefine the model for fraternities at Northwest. The early results of that decision have attracted a group of 10 quality young men who are worthy of your involvement and support. Hopefully, you can attend the 2018 Northwest Homecoming and include in your plans a visit to the TKE House to meet each and every one of them.

TAU KAPPA EPSILON
— Better Men for a Better World —

Active Chapter Update

The TKE House Comes Back to Life

In early April this year, a group of dedicated alumni and Active Chapter members converged on the TKE house to prepare for it's reopening for the Fall 2018 semester. The army of "men with skills" took on the task of drywalling, sanding, painting, rehanging dozens of composites and TKE memorabilia, and innumerable other tasks needed to make the house resident-ready.

In addition, the new Delta Nu Property Board is up and running. They've worked to anticipate any issues that may have been needing to be addressed before the nine new fraters of Delta Nu move in. They are working to have the finances in place to make this transition as smooth as possible for the house to become self-sustaining and to build up the numbers living there in the future. As of now, they believe that we will be able to pay expenses and cover taxes, insurance and any necessary repairs with the funds available from our house accounts and the rent that the nine individuals living in the house pay throughout this year. We have raised and have available approximately \$25,000 to use and are in no danger of losing the house. However, but please consider donating to the cause when the opportunity arises, to keep us financially stable.

The house will be dry in accordance with our agreement with the University for reinstatement, so when alumni come to visit the active chapter and the house, please remember that there can be no alcohol whatsoever on the property. Any alcohol consumption by alumni must be done elsewhere.

Moving forward the active chapter is going to need to grow and fill the house each year in order to pay off the fraters that have so generously pledged money to pay the mortgage off and keep the TKE House in our possession for the long term. We are fortunate that some very dedicated fraters stepped forward to do this and we hope repay them in the near future and start building a nest egg afterwards to keep our house the top one on campus! Rent is anticipated to be in line with what actives would have to pay elsewhere either on campus or off and we want to be competitive in order for those actives to have an incentive to live in the house each year.

We will need to be diligent in our efforts to continue to support the active chapter in ways that we can to increase numbers of actives and any fundraising efforts that they may need help with in their infancy of trying to build chapter numbers in the future. This being said it is important to be in attendance when opportunities arise to help them show future members the importance of joining Delta Nu and the lifelong commitment that many of us have made to be a TKE for Life!

Active Chapter Update (Cont'd)

Active Chapter Takes the Baton on Philanthropy

In 2017, our Alumni Chapter initiated the Good Neighbor philanthropy program, which provided cash awards to worthy non-profit organizations in the Maryville area. The intention was to set the stage for future philanthropic and community involvement activities for the new active chapter – a major element of the model for the New Delta Nu. In 2018, the Active Chapter, under the guidance of advisors David Cox and John Moore, began a relationship with Lettuce Dream. Lettuce Dream was the first recipient of the TKE Good Neighbor program, providing vocational training and employment to individuals with neurological handicaps.

Throughout the Spring, every Active member of the chapter volunteered their time to assist the organization in harvesting and cleanup. Based on their experience, the chapter committed to volunteering at Lettuce Dream on a regular basis and raised \$500 to contribute to the organization. In recognition of the partnership with TKE, Lettuce Dream named one of their hydroponic bays after our chapter. TKE is the first Greek organization from the university to earn such a distinction.

Active Chapter Set New GPA Record for Delta Nu

Another primary focus of the new Active Chapter is academics, which is reinforced in recruiting, throughout pledgship, and into active membership. We're pleased to report the chapter's cumulative GPA as of this May was 3.18. To sustain that momentum, we have created scholarship incentives to provide continuous motivation to the active chapter members to achieve high grade points averages.

Thanks to the generosity of Delta Nu alumni, eight of the chapter's 10 active members will be receiving scholarships this year. Members who live in the house and have a cumulative GPA through last spring that equals or exceeds 3.0 will receive a scholarship of \$750, while those with a 3.50 or above will receive \$1000. Many recipients stated that while it was the character of the men that caused them to join TKE, the availability of meaningful scholarship money attracted them to check the chapter out and underscored the emphasis the chapter places on academics. All told, \$6500 in scholarships were distributed.

This will be a critical part of our future! If you would like to learn more about the TKE - Delta Nu Actives Scholarship and how you can make a tax-deductible donation, please contact Frater Jake Akehurst at jakehurs@jccc.edu or phone Jake at 816-686-0713. To make secure online donations via the Delta Nu website, [click here](#). If sending checks, designate your gift to "TKE-Delta Nu Actives Scholarship" to assure it supports this important program.

2018 TKE Delta Nu Memorial Scramble

With over 100 TKE alumni coming together in Maryville for the 23rd Annual TKE Delta-Nu Memorial Scramble, the 2018 edition of the DN TKE Alumni Weekend was a huge success. The event was staged in the “new home” of the tournament – the brand new Mozingo Lake Conference Center, which provided a beautiful staging center for golfers and conference facilities for our luncheon and that evening’s Triangle Awards dinner

The weekend started with record turnout for the 2-man scramble on Thursday afternoon. Tekes were paired up via a blind draw, giving alumni from different generations the chance to share stories and relive Teke life from different perspectives. The coveted bronzed Johnny U shoes were awarded to the low team, Chad Gamblin and Brent Steffens. Come a day early and join the festivities in 2019!

Friday's 4-man scramble included a few new teams this year - totaling over 90 players - representing every decade of Delta Nu's history from Scroll 13 to current actives. From long drive and closest-to-the-pin contests in the new golf simulators, to re-invented on-course pin prizes and team activities, the Memorial Scramble wasn't just about going low on the scorecard.

Friday afternoon turned into evening with a happy hour and the Triangle Awards dinner held in the new Mozingo Conference Center. And with hotel accommodations now on-property at Mozingo, the party, needless to say, continued without skipping a beat. For those wanting to jump in the Maryville nightlife, a free shuttle ran from the hotel to town square.

This year's event raised nearly \$5,000! Funds provide Memorial Bricks for fraters who have passed into the Chapter Eternal and support the newly re-structured TKE Scholarship Fund. A big thank you to all who participated, volunteered, donated extra funds and/or sponsored the weekend. Mark your calendars now for the 2019 version, scheduled for May 30 - June 1, 2019!

A big Thank You to our Teke sponsors!

- Monument Golf provided each player with the new Stick It Magnetic Golf Towel, designed to stick to carts and clubs.
- Team Barlow/Newberry/Rold/Waters donated their football suite to raffle off a Northwest Football Gameday Experience.
- The Jeff McNeely Memorial Fund provided a complimentary shuttle service to/from The Pub for after hour libations.
- Carson's Sports Bar & Grill awarded gift cards to golf simulator contest winners.

After a great day of golfing and comradery, the day ended with the 2018 Triangle Awards banquet and induction ceremony. This year's five inductees were a diverse and impressive group of Fraters. As has come to be a staple of the Awards, inductees gave acceptance speeches that were funny, insightful, poignant, and of course, a few tears were shed.

One touching highlight of the night was the acceptance of Frater Jeff McNeely's award posthumously by his son, Ryne McNeely, who shared how much the Fraternity meant to his father and how meeting and talking to so many Tekes that knew his father as a young man was so fulfilling and meaningful to him.

The Triangle Awards has grown into one of DNAA's most memorable annual events. As one first time attendee stated "I never knew this was so impressive. I wish I'd have come before." We encourage you to attend next year's ceremony, even if you don't golf. The event typically ends by 8pm, allowing attendees from as far as Kansas City, Omaha, and Des Moines to return home the same evening if desired, Please plan to join us in 2019!

TKE Homecoming Plans 2018

TKE Events Planned for Homecoming 2018 Weekend

With all the positive things happening with the Active Chapter, Homecoming weekend is a perfect time to plan a visit to the TKE House to see first hand the state of the facility, socialize with alumni Fraters, and meet some of the impressive men that belong to the Active Chapter. Here are scheduled events:

Friday, October 12th 8pm

Informal get-together at Burney's Sports Bar
301 N Market St, Maryville, MO 64468
Gather on the roof top for drinks

Saturday, October 13th 9:30 to 11:30 am

Open House at TKE House
Donuts, Coffee, and Juice
Meet alumni and active Fraters, tour the TKE House

Saturday, October 13th 11am

TKE Tailgate Party - West of Bearcat Stadium. South of 4th St in grassy area
Grilled hotdogs and burgers (Bring Your Own Beverage)
Lots of parking and easy walk to stadium
Open to Teke's, their families, and guests
Note: Please RSVP to Tony Dorrell at Anthony.Dorrell@fedex.com if you plan to attend tailgate

Note: There are no events that involve alcohol planned for the TKE House or surrounding property. Please take care not to bring any alcoholic beverages onto the TKE property or into the TKE house.

Frater Moore In The News

Frater Moore Makes His Mark At Northwest

In the past two years, Frater John Moore has devoted countless hours to negotiating the reinstatement of the Delta Nu chapter, as well as, with Frater David Cox, shepherding two pledge classes to active status. In addition, he has also served as an advisor to the Northwest Greek Life visioning project.

If that weren't enough, as a board member of the Northwest Foundation, Frater Moore played a leading role in successful fundraising for the new \$20 million dollar Northwest Multipurpose Complex, which is nearing completion. For this effort and others on behalf of the University, John will be awarded the Turret Service Award at the 2018 Alumni Awards Banquet on September 14th in the J.W. Jones Ballroom at Northwest.

In addition, Frater Moore was recently appointed by Missouri Governor Mike Parsons to the Board of Regents for Northwest Missouri State University. After confirmation by the state legislature, Frater Moore will join Frater Jason Klindt, who was appointed to the Northwest Board of Regents earlier this year.

In addition to his busy schedule, John somehow manages to get in a few rounds of golf every week as well. A hearty congratulations to you, Frater Moore. You make a us proud that you're one of our own.

Chapter Eternal

IN MEMORIAM

We have received news of the passing of the following Fraters.
Please remember them and their loved ones
in your thoughts and prayers.

Frater	Scroll	Pledged	Passed
Stuart Bintner	208	1961 Spring	6/3/2018
Richard V. Schmitz	224	1961 Spring	2/8/2018
Lawrence R. Albright	243	1962 Spring	2/4/2018
Reginald H. Turnbull	430	1966 Spring	11/9/2017
Craig Bonner	658	1974 Spring	7/18/2018
Roger V. Hicks	866	1980 Fall	6/20/2018
Bill Edwards	921	1983 Spring	12/14/2017
Derrick Balagna	1606	2011 Fall	7/6/2018
Vivek Dahal	1643	2014 Fall	6/4/2018

An Organization Worthy of Membership

As you may know, Delta Nu chapter has one of the largest TKE alumni groups in the entire nation. This is a combination of the strong and unique bonds that formed within our chapter from one generation to the next, as well as the efforts of many alums in the leadership of Delta Nu Alumni Association to keep it relevant and vital.

But Delta Nu Alumni Association (DNAA) is only as strong as it's membership and the Fraters who are willing to make a small investment of their money and an even smaller investment of their time. If you haven't renewed your dues or have never joined, we're asking you to make that move today.

Keep in mind that Alumni Associations have natural attrition due to aging of its oldest members. This attrition is typically replaced by the newest alumni, and the organization thrives. For Delta Nu, we have a special challenge: Because we "lost" the active chapter membership in place when we closed the Chapter, as well as two more years of actives who never came to be, we have a significant gap in our alumni membership growth, and at this writing, the size of our membership has been flat for several years now.

At a moment when we are seeing the rebirth of our Active Chapter, it would be ironic to see our Alumni Association, after being so vigorous for so many years, begin to decline. Your action today can prevent that by taking a simple step [to join or renew membership](#) in DNAA.

What are the benefits of membership? Your dues help the DNAA support such alumni events as the TKE Golf Tournament, the Triangle Awards, Homecoming reception and other social functions throughout the year. It also provides support for the Active scholarship fund, Alumni philanthropy projects, and various communications to members (including this Delta Nu Review, the Chapter website (www.nwtke.com), and [Delta Nu Photo Museum](#)). DNAA also provides guidance to the new active chapter, assures retention of the house, and continues to play an active role in launching the new chapter.

Most importantly, it provides a conduit for renewing relationships and connecting with Fraters that may have been your closest friends in college. As you grow older, these relationships become more memorable and meaningful.

Looking for even more involvement? There are opportunities galore to be actively participate in the Alumni Association, TKE House Management, or Active Chapter support. Bring your skills and make a difference. The various committees and projects available to be involved in provide a cross generational opportunity among Frater's that's very gratifying.

The dues for a 1 year membership is only \$50 and 3 years is even less at \$105 (that works out to a paltry \$35 dollars a year). So write a check or pick up a credit card and make the move right now to join or renew. [Just click here.](#)

If you've been withholding your membership because of the Active Chapter suspension or waiting to see what develops with the new Chapter, we hope we've delivered successfully on the promise of genuine renewal. It's time to reward the men who gave so generously of their time and energies to save your Fraternity, your legacy and your memories by becoming part of the Delta Nu Alumni Association.

Let's do it today, right now. Support the Delta Nu Alumni Association by [sending your dues today](#). It's an organization worthy of your membership.
