# SOUNDS OF 222

Fraters,

This year the men of Delta Nu are striving toward another successful, eventful year. With an active chapter strength of 65, the men of 222 are working hard on Homecoming, intramurals, and chapter house improvements.

In anticipation of a large return of alumni fraters for Homecoming, we are planning several festivities for Homecoming day.

I would personally like to extend an invitation to each one of you to drop by 222 anytime. See you October 28.

Yours in the Bond,

*Bill Andrews*

## NEW Housemother At Delta Nu

We of Delta Nu are proud to have Mrs. Ollie O. Dopp as the new Take Housemother. This fine lady comes to us from Craig, Missouri via Tarkio College where she was a housemother for women for four years. Far from being inexperienced, she often talks of the challenge involved at 222 West... Cooper. She expresses this in her own words below.

To Alumni of the Tau Kappa Epsilon Fraternity,

Being a Housemother in a Fraternity House is one of the greatest challenges of my life. In order to meet this challenge it will take the continued splendid cooperation of the fine men of Tau Kappa Epsilon. I like to think of us as being one large family sharing love, responsibilities, and respect for each other and our house.

The men of the Tau Kappa Epsilon Fraternity are of the highest caliber. Their standards are high and are rated high for being who they are and for the many fine acts of charity they perform through the years.

We shall be happy to have you visit us at anytime and cordially invite you to do so at your convenience.

We are proud of the rating of the Tau Kappa Epsilon Fraternity in the past, the present; and in the future, we hope to help make it the finest Fraternity on any campus.

As their Housemother, I shall do all I can to help them reach their goal.

Very sincerely,

*Mrs. Ollie O. Dopp*

## Te Ke House Gets A FACE Lifting

Dear Fraters:

Many improvements have come to the TEKE House this fall. Probably the greatest improvement of all was the remodeling of the housemothers quarters courtesy of fraters Ed Propst and H.L. Poynter. New carpets, wal paper, furniture and paint performed a much needed task in preparation for the arrival of the new housemother. Red indoor-outdoor carpeting has been laid in the entry-way and up the stairway to second floor. The old cherry and gray hallway was painted with a sparkling coat of white. The dining room tables have been covered with a red and white patterned oil cloth, greatly enhancing their appearance. Those of you who weren't able to be here for last year's Homecoming ceremonies will undoubtedly be surprised to see the results of the last two years facelifting. See you October 28.

House Manager

## Dr. Chandler Enters Second Year As Advisor

Dear Fraters:

I would like to take this opportunity to extend a welcome to each of you to make 222 West Cooper a stop on your agenda during the Homecoming weekend. Every fraternity needs the complete support of its active members, but complete success of any Greek Organization depends upon the unified action of its alumni and active members.

I would like to remind you that our fraternal bond with you remains intact even though you are no longer a student at Northwest Missouri State. In fact these bonds actually strengthen with the passage of time, and this is a reflection of our Greek heritage. The concept of fraternity rose to its earliest height with the ancient Greeks--especially city-states like Sparta. These people

practiced true fraternity and thus became the most close-knit group by keeping faith and loyalty directed toward home. Men did not change their attitudes as they passed from their specific educational roles to another, but in fact celebrated their comradeship at certain times of the year.

Thus it is with us. Our festive time of the year is approaching, and we, as our Greek predecessors, look forward to renewing our pledgeship with you and saying once again--"Welcome, Fraters!"

Yours in the Bond,

*Dr. Tommie Chandler*

# Homecoming - October 28

Dear Fraters:

Homecoming is just around the corner. No doubt you have been making some plans yourselves about this annual event. The men of Tau Kappa Epsilon are planning to be tops in the main divisions of competition, but most of all we want you to enjoy yourselves while you are visiting us.

Immediately following the game, there will be a cocktail hour to get acquainted at the Merry Villa Motel. Drinks and other refreshments are on us. The time will be approximately 4:30 to 5:30. A pre-party will commence about 8:00 at the Merry Villa and continue until about 10:30 or 11:00. Everyone furnishes their own drinks for this. As soon as you hit town the 28th, come on over to the Teke House. All the plans will be posted on the bulletin board at the head of the stairs. We are looking forward to seeing all the old and familiar faces who made Teke what it is now!
