SEPTEMBER 1979

## HOMECOMING

Homecoming this fall will be October 20 and marks the start of a new year for all TKE's of the Delta Nu Chapter. We would like to extend a personal invitation to all alumni and hope to see a big turnout for this event. We're anxious because although we have some hard work ahead of us, it always proves to be a memorable experience for us as well as you. The theme this year is Movies and preparations are being made for an award-winning float and house decoration. We hope to duplicate our first place float finish of last year and improve our fourth place house decoration. Planned activities include a giant alumni party with free food and beverages. We have also contacted Frater Randy Buxton "602" in Creston, Iowa, and there is a chance he will bring his fire truck down for the annual Homecoming parade. It would display the TKE spirit and be a big hit but we'll have to wait and see.

The following fraters are in charge of these committees concerning Homecoming:

House Decorations — Mark Swope

Parade Float — Craig Poldberg and Jim Moore

Alumni Food — Tom Kealy and Jim Wilson

Homecoming Skit — Tad Trecker, Dave Minnick, Ken Rigsby

\* \* \* \* \*

TKE is the largest college social fraternity in the world with over 304 active undergraduate chapters.

## SUMMER ACTIVITIES

Summer meant vacation from school but it also meant parties, Work Weekend, and the annual TKE Conclave held late in August.

Two parties were organized and appropriately started summer traditions to live on forever. The First Annual TKE Summer Drunk was held in mid-May in Kansas City. It brought together many actives and alumni from Kansas City and other surrounding areas. There were even some TKE's that came down from Maryville to join in on the fun. Frater John Moore "697" was a great help in having the party at the clubhouse of his apartments. He also helped out with the drinks among other things. We would like to thank Moore and all other alumni who attended and helped make it such a great success. Frater Steve Brightwell "775" hosted the second party called the First Annual TKE Sloppy Drunk. It was held in June and brought fraters together from many cities including Kansas City, Maryville, and various places in Iowa. This party was also a great success and we thank the alumni who attended.

The Work Weekend was held July 21 and was a definite plus for improvements to the TKE House. Little things such as yard work and cleaning up were done but major accomplishments included the painting and clean-up of the garage. Repairs and installations were done to storm windows and a new storage room has been added downstairs. This house has really shaped up and Homecoming is the perfect occasion to come back and see it.

French Lick, Indiana, was the site of the TKE Conclave held August 20-24. Our representatives were Prytanis Glen Gude and Frater Dave Brown. They attended many meetings, spoke with Frater Pete Greve "580", and generally came back with exciting ideas for the improvement of our fraternity. I hope all alumni had a nice summer and am looking forward to seeing you this year at the TKE House.

\* \* \* \* \*

On an average, National Fraternities grow at the rate of 12 chapters a month . . . FRATERNITIES LIVE!

## RUSH

Rush officially started September 3 and the fall Rush Chairman was Steve Brightwell. He had a goal of a 20 man pledge class along with some excellent ideas for Rush-related events. The Delta Nu Chapter would like to thank Frater Brian Wunder "600" for helping out by the showing of Rocky II at the Missouri Theatre. This is a list of Rush events and their dates:

Rush starts	September 3
Movie — Rocky II	September 14
Smoker	September 20
Country Western Party	September 21
TKE Machine	September 23
Spoly Party	September 29
Bids	October 1

\* \* \* \* \*

Pennsylvania has more fraternity campuses than any other state . . . and is the biggest TKE state.

## ALUMNI INFORMATION

I presently have a few letters from alumni about accomplishments and other information they want to pass on to all TKE's of Delta Nu. I'm enclosing the Tell Us What You've Been Doing article so we can get more response to print in the next big Delta Nu Review. Please write back about anything because we're interested and want to pass it on to all alumni. Fill out and send to address in c/o Histor. We've updated the address list this past summer so feel free to inquire about any TKE's address. I'll be happy to send any information I have.

DID YOU KNOW? Since 1934, over 11,000 men have been initiated into fraternities every month.

**RED CARNATION BALL**

In celebration of our silver anniversary the RED CARNATION BALL was held at Eddie Webster's in Des Moines, Ia. Twenty-five years ago Delta-Nu TKE's organized the first Red Carnation Ball. Since then this annual event has proven to be the highlight of the school year. In the weeks preceding the dance, spirits rose in anticipation of the trip to Des Moines. An all-out effort was made to return as many alumni as possible for this special occasion.

On Saturday afternoon carload after carload of TKE's and their dates started rolling into the lobby room of Eddie Webster's Inn. By mid-evening, close to 200 TKE's and alumni had appeared.

That evening an excellent dinner was served. It was in the form of a buffet with plenty of food left for seconds and thirds for those fraters who were really hungry. Following the dinner the band began to play. Crossroads was their name and good tunes was their game. This band, which consisted of TKE's from other chapters, was by far the best form of entertainment ever to hit the ceiling in Des Moines! They were simply an excellent group with just the right sound for such an occasion as RCB.

The dance lasted well past the early morning hours with every couple having a terrific time dancing and mingling. Eddie Webster's Inn was a very high class place. For all those couples that went it truly turned out to be a memorable occasion and a very appropriate location for our silver anniversary.

At the alumni meeting held earlier in the day, contributions were made and alumni information exchanged. Below is a list of all the alumni that were present at the Red Carnation Ball of 1979.

- |                   |                  |

There are the 26 young men who comprise the Spring Pledge Class of 1979. They're a great bunch of guys who will surely contribute to the fraternity. Many neophytes are about to become active with the remaining few to join up next fall. There are neophytes participating in school and community activities with involvement high in various other campus organizations. An enthusiastic atmosphere is being generated after attending the successful 25th Anniversary Red Carnation Ball, and this pledge class is anxiously awaiting the coming of fall with Homecoming and its other festivities. The following neophytes have been appointed to these offices having to do with the fraternity:

- Tom Ibarra, Histor
- Allen Hamm, Inter-Fraternity Council
- Jon Cundiff, Programming Body

TKE is the largest college social fraternity in the world with over 304 active undergraduate chapters.
