DELTA NU:

A Chapter Rising to the Top

Recently, the active members of Tau Kappa Epsilon set their sights on Fall Rush 1991. As you can see from the photo below we were able to achieve our goals with the addition of 26 great new members. With rush behind us, we were then able to target homecoming. The active

chapter worked hard and was able to produce a homecoming float that took first place. Mark Gerling, a member at Delta Nu, was also able to capture Homecoming King along with being one of the few fraters to become a Top TEKE. In addition to all of this, we were also able to bring

three great awards home from Conclave. They were the Recognition of Achievement for Public Relations, a Membership Recruitment Award, and a Superior Chapter Certificate.

Our goal for next year is to become a Top TEKE Chapter.

DELTA NU OFFICERS REPORTS

Prytanis Report

Fraters,

My term of being Prytanis has been one of the most fulfilling experiences of my life. This chapter has made great strides to turn itself around to become as great as it is today.

Recently, we had a R.E.A.G. visit by Bill Rhody. We are in the process of developing an Alumni based New Housing Committee. With a lot of hard work and determination, we are hoping to see a new Delta Nu chapter house within three years.

The chapter itself has been getting recognition and attention from our National Headquarters. Through this attention, I have received word that we should be due for another Top TEKE Chapter Award. This is a goal we are all striving to reach.

The chapter now has close to 80 active members. The members are very active and are focused on making this chapter much stronger. We are also in the process of planning more activities that will be in conjunction with you – the Alumni. We hope that the Alumni support continues to increase at the rapid pace it has for the past two years.

I entered this position following in the footsteps of a great TKE leader and I hope that I have continued and developed on ideas that he brought us. I also hope that my ideas were and will be as successful.

Epi Prytanis Report

Fraters,

The office of vice president has been concentrating its efforts on reorganizing committees, for the purpose of getting a higher percentage of involvement. There are seven committees with committee leaders for each. The rest of the chapter

that does not hold an office has been divided into one of the seven areas. The advantage of this has been concentrated and specialized work in specific areas. This is hopefully the first stage to campus domination by Tau Kappa Epsilon.

There are also special meetings once a week to discuss problems within the organization if they arise. The other function of these meetings, more often used, is for discussing ideas which arise in chapter meetings which require discussion at length.

Crysophylos Report

Fraters,

Speaking monetarily, this semester has gone pretty well. We've stayed within our budget for the most part. Our homecoming budget was aided greatly when we took first in the float competition. We've received \$750 thus far from that.

This semester we have 50 actives; and with our fall pledge class of 26 activated, I'm planning on about 70 actives to start next semester. This will allow us to expand our budget to include a few more things that we'd like to do.

Just recently the chapter passed a motion that increased dues by \$10 a man. This extra money was designated strictly for the new house fund. We're doing what we can to save money for what we see as a necessary step in our future. If you have any questions about our financial status, feel free to contact me at the TKE house, (816-562-2129).

Historians Report

Fraters,

This semester was productive for the office of Historian. As two new fraters

taking over at the beginning of the semester, we were able to bring the Alumni address files on the TKE computer up to approximately 1200 members. We hope you all received our Homecoming reminders and we give special thanks to those fraters who were able to drop by. We really appreciate the support! If you have an address correction or know of a frater who did not receive this Delta Nu, please send information to the TKE House, c/o the Historian. I hope you find this Delta Nu to your satisfaction.

Hegemon Report

Fraters,

We went through the Membership Development Program for the first time this semester, and, as it is a new program, it was a learning experience for all of us. Under the new system, the recruits are "pledges" for two weeks. Then they become probationary actives for another six weeks during which time they watch the modules, take tests, and participate in a variety of pop/son activities. We feel that this program works well; we sent 26 great guys through it, and we'll see the results of the program by watching them.

Hypophetes Report

Fraters,

Well, the Hypophetes position took on a different look this semester. It was finally realized after a look at the black book that the hypophetes was in charge of all chapter rituals. Because of our chapter's growth it was decided to move our ritual meetings and functions onto campus, giving us more room and more of a feeling of what we stand for. The test

OFFICERS REPORTS, CONTINUED

file has been organized and efforts have been made to expand it. As Hypophetes, I have installed a grade sheet into the New Membership Program. It resembles a questionnaire to the associate members teachers, containing questions on how the student is doing on tests, quizzes, homework, attendance, and a space for additional comments. We hope this will motivate our new members to strive for higher grades, and over a few semesters,

improve the overall chapter G.P.A.

House Manager Report

Fraters,

In the past the job of house manager involved collection of rent, parlor dues, paying bills, and upkeep on the house. The

house now has a different outlook on its financial situation by looking at alternative ways other than the active chapter to increase funds. This was done by getting washing machines in the basement and two pinball machines that will coincide with the pool table that is located on first floor. The house now has a relatively steady amount of income that will help pay for electricity, water, repairs, etc.

Alumni Association Welcomes Your Involvement

Have you ever thought of getting back together with some of your pledge brothers, but you haven't the slightest idea where they live, or what their phone number is? Well now you can! All you have to do is give the alumni association a call and find out what fun-filled events they have planned next. If you would like to become active with the alumni association or just want more information concerning upcoming events, you can contact your area vice president at the following numbers:

Kansas City Area:

Paul Haake (816) 741-4357

Omaha/Council Bluffs Area:

Mark Witthar (402) 571-4408
Dan Canchola (402) 391-3566

Des Moines Area:

Ed Mattern (515) 287-6321

Alumni Association President:

Kevin Smith (816) 232-4982

Dear Alumni,

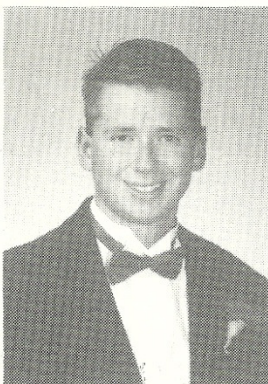

The fall 1991 pledge class is now an active part of DN chapter. Our activation was Wednesday, November 3. Our pledge class has started a tradition to be carried on for years – we have a pledge class name. Our name is ALPHA, from the Greek alphabet. Every pledge class from now on will have a Greek letter or letters to represent what year they pledged. We had a total of 26 pledges in the fall:

Justin Blake, Bedford, Ia.; Tracy Bottoms, Glasgow, Mo.; Eric Burtis, St. Charles, Mo.; Mike Cathcart, Savannah, Mo.; Travis Coates, Excelsior Springs, Mo.; Dave DiMartino, Hastings, Ne.; Jason Fleming, Bennington, Vt.; Kevin Frakenberger, St. Louis, Mo.; Travis Galloway, Peculiar, Mo.; Pat Gibson, Council Bluffs, Ia.; Todd Hollen, Winterset, Ia.; Chris Johnson, Savannah, Mo.; Paul Jones, Waterloo, Ia.; Micheal Lux, St. Joseph, Mo.; Brian Marriott, Grain Valley, Mo.; Jason McCabe, Maryville, Mo.; Brian Meyers, St. Charles, Mo.; Zac Perdue, Lee's Summit, Mo.; Jason Rose, Excelsior Springs, Mo.; Jason Schwarte, Denison, Ia.; Jamey Stone, Hamilton, Mo.; Ryan Tesdall, Des Moines, Ia.; Shane Ward, Kearney, Mo.; Bob Weston, Festus, Mo.; Roger Wilson, Kansas City, Mo.

Thanks for the opportunity to show what we're made of.

From the desk of the Pledge Class President,

Paul Jones
