

9-10-3-97

Highlights

- Delta Nu chapter signs 15 men for Fall '97.
- Groundbreaking at 9th St. one year after fire.

The Delta Nu

Delta Nu Continues to move forward in '97

Activities and events planned for homecoming '97.

Dear Fraters,

This issue of the Delta Nu should be reaching many new Fraters. With the help of the alumni, we have continued to make great progress with the development of the alumni database. It is still our goal to contact and recover all the lost names in the database. So far we have obtained over 450 phone numbers since the fire last November. Although the missing Frater list is still at 300 names, most of this is due to the process of sorting through bad addresses that were failed to be kept updated in the past. We will continue to list missing Fraters in the future.

We hope this newsletter brings you up-to-date with the activities of the Delta Nu chapter.

Prytanis- Chris Peasley

This newsletter again finds the Delta Nu chapter in excellent standing. We are nearing the end of

rush and the chapter very well in getting 15 excellent men to sign TKE.

The chapter is also doing very well in preparing for homecoming. This year the men of TKE have agreed to combine their efforts with the ladies of Alpha Sigma Alpha. This is a new combination for both organizations, and we feel that it has been very successful. We will be building float, mini-float, and house decoration (on our new land). Also, we are participating in skit, and making clowns to be in the parade.

All TKE alumni are invited to join the active chapter in Homecoming festivities. Events will start with the parade at 9 a.m. Tekes will be gathering at 522 W. 4th Street (home of several Fraters) to watch the parade. Following the parade there will be a barbecue at the site of the new house that is located at the 500 block of 9th street adjacent to campus. All are welcome to attend. All Tekes will leave for the football game from there. We invite you and your family to attend these events.

Red Carnation Ball will also be held on November 8th. Fraters and their dates will be gathering at the Marriott at the Kansas City Airport to hold our annual formal event. Dinner will begin at 7 PM with a dance following. All alumni are invited to attend. For more info and to make reservations contact RCB chair Kent Turpin at 816-562-3051.

The chapter is also proud to report that we received a National TKE award at Conclave this past August in Tarpon Springs, Florida. Delta Nu, along with four other chapters, received the Public Relations award for Excellence in communication with the public.

Feel free to email me if you have questions or comments about the chapter.

Russ Northup- Chapter Advisor

The fall semester is well underway. The first exam cycle is upon us and our first home football game has been played. Just a few quick notes

from the Alumni Advisor. The active chapter is doing very well in spite of the fact that they do not have a chapter house. Several very innovative approaches have been used to find alternatives for the activities of the chapter. I believe the leadership of the chapter is doing a great job of holding the chapter together while the Board of Trustees and alumni complete plans for a new chapter house.

Late last spring the Board of Trustees appointed a committee of Alumni to serve on a chapter House Fund Raising Committee. Your representatives on this committee have performed in a highly exemplary manner. The fund raising was launched at the softball tournament in Kearney, MO back in June. The committee has scheduled several regional meetings to insure that all alumni have a chance to ask questions and participate in the overall planning of the new house as well as contribute to the New Chapter House Fund. So far the committee reports that the fund raising is going well. It is extremely important that every alumnus be contacted. Considerable effort has been put forth to improve the quality of our mailing list. We need your help to contact every alumni of Delta Nu. I praise the efforts of all those alumni who have contributed to the New Chapter House Fund.

Homecoming will be a begin event to continue to contact our alumni. If you are called upon by the Fund Raising committee to assist with this fund raising project, I ask that you remember the bond and do your TEKE duty to help replace the Chapter house.

A Review of the Past Year

On November 16, 1996, a fire that began in a room on the south side of third floor spreads and destroys that floor and renders the entire structure a complete loss, forcing the evacuation of residing members. The fire was declared an accident by the fire marshall and insurance company, but business continued with Board of Trustees President Larry Apple loaning use of meeting space behind his business at 108 W. 5th St. The structure was razed on January 18, 1997. Losses included the personal belongings of eight members, some files and the computer just donated to the chapter that held the alumni files (currently being re-updated). Luckily, no one was injured and the scroll, all ritual equipment, original woodwork and 17 composites were recovered.

With \$66,000 coming from the insurance company for house and contents, the Delta Nu Board of Directors moved to purchase a 2.3-acre lot, adjacent to campus at the price of \$60,000. The new house will be approximately 8,000 sq. feet and house close to 30 men. The lot at 222 W. Cooper was sold for 32,500 and an EPA test ordered on the new property. The test passed and the Board of Directors began to assemble a fundraising committee comprised of alumni from scroll 125 to 1248. This committee has volunteered to coordinate planning, marketing, and fund raising for this new house. The goal in sight is three-fold: 1)\$200,000 2) groundbreaking this fall. 3)open house in 1998. Most recently, a respected architect has been hired to make the final plans for the new house. He was very optimistic about the potential layout.

Over the next three months, members of the fundraising committee and other volunteers will be contacting you to ask once again for you to commit time, money, and services that will help rebuild the tradition that is the Delta Nu chapter of Tau Kappa Epsilon.

Upcoming Events

- October 18th- Homecoming
- November 8th- RCB
- November 15th-Groundbreaking for the new house.
