

Delta Nu Review

NWMSU

MAY 1976

Dear Fraters:

As the 1975-76 school year draws to a close, Delta Nu appears to have experienced one of its best years.

Last year we achieved our goal of being elected as Top TKE Chapter. This year we hope to repeat and, if comparisons are made of the two years, our chances appear excellent.

We are on the verge of winning the intramural supremacy for the first time in several years; we inaugurated a new Easter Egg Hunt Afternoon for neighborhood children; we initiated 36 new fraters; we fored excellently at homecoming last fall. We also hope to finally have the house paid for sometime within the next year.

We are all proud of our successful year and we would like to thank the alumni for their important role.

The house will not be open this summer but we look forward to next fall and hope to see some of you then.

Yours in the bond

HOMECOMING

No date has been announced as of yet for next falls homecoming festivities. We assume it will be sometime in October and we would like to invite you and your family to the TKE house. We should have another newsletter next September to provide exact dates and time.

RCB

We were a little disappointed by the smaller alumni turnout for RCB. We realize, however, that many could not make the trip to Omaha. It has been discussed to move RCB back to the Maryville - St. Joseph - Kansas City area in hopes of attracting more alumni.

If you should move in the near future, please inform us of your new address. It becomes harder every year as our alumni now numbers over 600 fraters.

Framer Don Morris has joined the Easter Seal State Professional Staff of Iowa. He has worked with the handicapped for 15 years and we wish him good luck in his new post as home-bound training coordinator.
