## Tau Kappa Epsilon Fraternity

### Delta Nu Chapter

Prytanis report:

As president since August 21st, I feel very proud of the accomplishments we have achieved so far this semester. Our rush was not as well as we would have liked, but we did take nine new associates. I would like to personally thank all the alumni who came down for homecoming. I enjoyed meeting with all of you.

Recently we had nine fraters attend our District Leadership Conference in Kansas City. Our chapter had the largest in attendance at the conference. Also, prior to the conference we held a chapter retreat, this was the first of its kind in three years. Our new officers for 1990 will take office on December 11. We have a new rush program developed for spring of 1990. I believe we will be the best prepared fraternity for the spring rush. Also I would like to add that the men of Delta Nu are attempting a new pledgship program. The reason being that we are attempting to do away with any hazing problems. All I ask of the Alumni in the future is if you come back to visit, please speak with an active member about the program before speaking to any associates.

Next semester we will be striving to better communication with the community and campus. We also have been working with our Alumni Board to get new wiring in the house. I am confident that our officers next semester will be the best ever. I am confident the Alumni and Active chapter will strive to make TKE stronger than ever. But we can't do it by ourselves. Now that you know a little bit about the active TeKE's. Please drop us a not, we are anxious to hear your ideas and anything you can do to help us.

Yours in the Bond,

Mark D. Gerling

House Manager:

This semester many improvements have been made to the house. Starting with the garage, three large truck loads of junk was removed, also it has been painted. The house got a paint job also. The only place remaining to be painted is the side facing the parking lot. It was not completed due to weather conditions. Also the showers have been rebuilt. They are looking almost sanitary for a change!

Six tons of gravel was placed in the parking lot--thanks K.C. alumni association. Special thanks to Frater Harold Gooding and the Board of Trustees for the new front porch. The floor was completely replaced and the pillars were reconstructed. Thanks to the Eckard's for the carpet that covers the front porch.

Yours in the Bond,

David Ebright

Hegemon report:

Fall '89

This fall '89 pledge class was our first successful attempt to slowly issue in a new associate member program, and the future promises to be even better. The pledges were Dustin Bieghler, Norwalk IA; Jeremy Boucher, K.C. MO; Gary Dresbeck, Winterset IA; Eric Karr, Benedorf IA; Rusty Rich, Liberty MO; and Jake Wilson Lake of the Ozarks MO.

Yours in the Bond,

Rolf Taylor

Spring '89

We have eleven pledges this spring thanks to an excellent rush set up by frater Thom Rossmannith. The pledges are: Darrin Auxier, KC MO ; Jason Ayres, Ottawa KS; Tom Walkup, Humeston IA; Eric Bettis, Maryville MO; Mitch Ripperger, Derby IA; Trent Hurley, Council Bluffs IA; Jon Wait, Leplata MO; Sean Smith, Brookfield MO; Jeff Felton, Norwalk IA; Shawn Pulliam, Brookfield MO; and Jeff Roe, Brookfield MO. Our Hegemon this fall is frater Todd Fordyce.

IFC report:

The Internal Fraternity Council has been very busy this semester and has brought on many changes for the betterment of the entire Greek system. The main area IFC has been working on is organizing their own policies which in time will take away a large percent of the governing power of the administration and put it into the hands of IFC. Along with these policies is also an IFC judicial system which will work along side the new rules and policies. Some of these policies include areas of enforcing alcohol and drug policies, hazing, sexual aggression and harassment, and rush.

Some other new changes coming about for the future includes an open yet completely dry rush, first semester freshmen will not be able to rush, and GPA requirements will be raised for rushees wanting to pledge. A lot of hard and fast changes have come about but members of IFC feel these changes are not only essential but necessary to keep up with an ever changing society.

Yours in the Bond,

Scott Dorman

Pylortes:

Well the semester started out on a pretty fair note as frater were eager to participate in many of the rituals ranging from monthly formal meetings to associate membership rituals. The ritual equipment in is need of cleaning which will be soon taken care of. Due to the loss of the TKE banner last spring at RCB, an new banner has been drawn up and is being made by frater Mark Gerling's mother. The banner will be 6' X 8' which is a bit larger than the old one. Things are looking up.

Yours in the Bond,

Scott Dorman

Social report:

This semester we had our normal four mixers with the sororities. The Delta Zeta mixer was first, during Halloween. The second mixer was with Alpha Sigma Alpha on the first of November. The theme was Toga party, we had a good turn out for us to wear togas. The third mixer was with the Sigma Sigma Sigma sorority on the 15th of November. We rented the roller skating rink and roller skated drunk. That was the first we have done that and it turned out to be a big success. The last mixer was with the Phi Mu Sorority on the 29th of November it happened to fall on their help week so it wasn't so good. The theme was around the world.

Other parties was a TKE-Delta Chi date dash on the 23rd of September. Our hay ride came next on the 29th of September. We also had a Sigma Phi Epsilon mixer on Halloween. It turned out to be a success. The initiation party was the 20th of November. Then the last party we had was the informal/Christmas party on the 8th of December.

This semester was a little awkward since we are now under FIG (Fraternal Insurance Purchasing Group). We are not supposed to have kegs in the house, we were to have food and alternate beverages available and also we had to card everyone at the door to check if they were old enough. If they are minors then they are marked. But as a whole, the social semester went well.

Yours in the Bond,

Mark Mikesell

Now that we have a room that is set aside for the computer and made available to frater as a study room, we have decided to rebuild and update the house test files. Each of the undergraduates Fraters have been asked to make photo-copies of their old test and papers. Before, fraters were hesitant to give up their test and papers for fear that the papers would be lost and not returned. By making photo-copies this conflict will not arise. If any graduate frater has any tests or papers that he doesn't want anymore, we would greatly appreciate have those to put in our files.

A new idea has been brought before the chapter by the Hypophetes position. If a frater gets a high enough grade point average for a semester a certain percentage would be taken off his active fee. We believe that this plan would give the active frater more incentive to achieve good grades.

Yours in the Bond,

Eric Carlstedt and Todd Fordyce

Histors report:

Delta Nu celebrated its 35th Anniversary at this years Homecoming and 45 alumni were in attendance. Thanks to fraters Bill Adams and Todd Goforth we now have an IBM compatible computer system in the house. We are in the process of putting an updated alumni listing on its data base. If you did not attend Homecoming, please fill out the form on the back page, and return it to Tau Kappa Epsilon, c/o Histor, 222 W. Cooper, Maryville, Mo. 64468. By keeping us up to date, it will mean less delay in receiving your newsletter and other information from the chapter. It will also make it easier for you to contact a frater you lost contact with.

Both the Kansas City and Omaha Alumni associations are planning activities this summer. Omaha is planning a golf tournament. For more information contact Dan Canchola at (402) 391-3566. The Kansas City association is planning a softball tournament. For more information contact John Cundiff at (816) 525-4841. Stop by the house or call anytime, we'll be glad to hear from you.

Yours in the Bond,

Pete Wieland

Board of Trustees report:

The board is reorganizing at the present time. They seem to have an excellent start according to frater Mark Gerling who attended their reorganization meeting the tenth of March in K.C. MO.

Northwest Alumni Donations:

Now when you are called up and asked to donate to the University you can donate to TKE at the same time. The TKE Scholarship fund has been established to help out the undergraduate fraters here at Northwest. This will allow you to kill two birds with one stone.

#### WITH THE DELTA NU ALUMNI

Frater and Mrs. Rich Tokheim, DN 844 Are the proud parents of a new child. They live at 9411 Manderson Street, Omaha, NE 68134.

#### DELTA NU ALUMNI INVOLVED WITH TKE INTERNATIONAL

Several Delta Nu Fraters are getting involved with TKE at the District and Regional levels. They serve as District Vice Presidents to represent the International Headquarters to chapters in their area. They include:

Jeff Cleveland DN 827- Jeff works with Theta Rho Chapter at St. Cloud State University in St. Cloud Minnesota.

Craig Shaw, DN 940- Craig works with Alpha Zeta Chapter at Purdue University in West Lafayette Indiana. The chapter has 135 Members. Craig also works with Gamma Psi Chapter at Butler University in Indianapolis, Indiana.

Rich Tokheim, DN 844- Rich works with the TKE Colony at the University of Nebraska-Omaha.

David Cox, DN 960 Works with Kappa Nu Chapter at Rockhurst College in Kansas City Missouri.

## Red Carnation Ball

The spring 1990 RCB will be held at the luxurious Embassy Suites Hotel at the Kansas City International Airport. The date for RCB this year is Saturday, April 21, 1990. If you are planning to attend, which we encourage to all alumni fraters, you must make your own room reservations. To make reservations call (816) 891-7788 and tell them you are with Tau Kappa Epsilon chapter at Northwest Missouri State University. The price for this years room is \$84 (1-4) people. The cost of the room includes a complimentary cocktail hour from 6-8 p.m. on Saturday and a buffet breakfast on Sunday morning. This year the active chapter is providing a sit down dinner and would like all alumni to attend. The cost of the meal is \$20 per person and should be paid in check payable to TKE, postdated no later than April 16, 1990 to ensure you a dinner. All actives attending RCB will be required to eat at the meal, so we encourage alumni attendance.

### General Information

Check In Time: 3:00  
Cocktails: 6:00  
continued on next page  
Chapter Meeting: 6:30  
(Salon G)  
Dinner: 7:30  
(Salon G)  
Dance: 9:00  
Breakfast: 7-10:30  
Check-out: 12:00
