Greekweek, Keeping Traditions Alive

Greek Week held on campus annually, is where TeKEs have always excelled in the past. This year, we as a chapter did quite well in the Greek Week. TKE won the overall Greek Week Award and took home the most awards of any Fraternity on campus. The Alpha Sigma Alpha award for spirit and the Phi Mu award for Greek unity were awarded to us by these sororities. The best fraternity Greek Week banner award was taken back to the TKE house for the second year in a row thanks to Frater Shane Ward. The Greek Week philanthropic award was given for the most canned food and clothing collected by an organization. TKE placed third in the chariot race, and came in second in the Greek games. Overall the chapter has maintained its tradition of dominance during Greek Week as in years past.

Alumni Victorious In Basketball

Frater Mark Gerling organized a basketball game between the Active Chapter and the Alumni the night before Pete Wieland Volleyball Tournament, April 31, 1993. Frater Gerling lead the alumni to victory with a score of 44-40. The impressive statures of Alumni Dennis Goedicke (Thor) and Active Logan Noecker, dominated the center court. In the end it was the quick speed of Fraters Todd Fordyce and Gary Dressbeck of the Alumni team to give the edge which placed them over top.

We would like to thank Frater Mark Gerling for organizing the entertaining evening. Thanks to Fraters Tracy Bottoms and Lonnie Sauter for refereeing the game. A special thanks goes out to Frater Tom (Bomber) Chiles for arranging a court to play during the reconstruction of Lamkin Gym. The active chapter would like to thank all the alumni who supported this event. The active chapter would like to repeat this event again in the future.

Volleyball Tournament A Success!

The second annual Pete Wieland Volley tournament was a success raising nearly three hundred dollars going to a special account set up in Pete Wieland's name. Sixteen teams, seven of which were alumni, played on the sand volleyball courts in Beal Park in Maryville. The winning team comprised of actives Logan Noecker, Kevin Malick, Todd Kraaz, and Shawn Pulliam, remained undefeated throughout this years tournament.

The active chapter can not express the feeling brought out by the bonding that occurs at this event. The Alumni's presence was appreciated by the active chapter. Those Fraters who were unable to attend were sorely missed. We encourage more alumni to come next year to renew the bond of brotherhood, and experience bonding with other TeKES, even for just one weekend. The active chapter is looking forward to seeing the Alumni next year.

New Board of Trustees

Under the guidance of Russ Northup, Chapter Advisor of the Delta Nu chapter of Tau Kappa Epsilon, instituted a search for a new Board of Trustees. The Last Board of Trustees was held two years ago. Their guidance and help with finances was sorely missed by the chapter, and hope of accomplishing long term goals were diminished by the void left when the Board of Trustees diminished. The Chapter and Russ Northup selected potential candidates for the new board in and around the area of Maryville.

The candidates met on March 31, 1993 at the TKE House. Larry Apple was elected President by the fraters attending. Rod Auxier is the Vice-President, Steve Fox was elected Secretary, and Todd Schuler is the new Treasurer. The other members of the board are Tracy House, Jeff McKnelly, Tim White, and Russ Northup.

The First official meeting of the board took place April 23, 1993. The topic of discussion was restructuring chapter finances to manageable form. The board will assume control of chapter business dealing with the house. Other topics of discussion were implementing search for all alumni in a four state region, and the selection of House Committee.

After taking inventory, the new Board of Trustees and the Active Chapter are looking for its property in the care of Fraters who are now alumni. Specific items in our search are old composites that might have been sent home with an alumni for safe keeping. We would appreciate any information pertaining to these and other mementos. TKE at Northwest is now approaching our celebration of our fortieth anniversary would like to have every composite for this celebration in two years.

The Histors are trying compile the most current and acurte addresses of our alumini possible. Please send us a postcard with your name and address, or if you know of any Frater that did not receive their Delta Nu please send their address as well. If a Alumini did not get a Delta Nu, he is lost, and they can not receive the Delta Nu. The Delta Nu is not returned to us by the postal serivce. Also to all fraters moving please send us a new address. The Histors will be living in the house this summer.
