Letter from the Chairman of the Board

Dear Fraters:

We are headlong into another school year and as always, there are lots of great things happening with the active chapter and the alumni, not to mention our undefeated Bearcat football team.

On the active chapter side, we have another pledge class that is learning the traditions of our great fraternity. The actives are also busy getting ready for homecoming and all of the events that make college life so much fun.

On the alumni side we are planning a HUGE celebration to commemorate our 60th Anniversary. Frater Tony Dorrell is doing an outstanding job putting this celebration together. We are tying it in with our annual golf tournament and there are an incredible number of events planned. You do not want to miss this celebration!

Take some time to sit back and read though the latest edition of the Delta Nu Review.

Don't forget the Bearcats will be playing in Round 2 of the NCAA Playoffs at home on November 30th.

Go Bearcats!!

Yours in the Bond, **Mark Witthar, 853**

Alumnus Profile Tom Mooberry ΔN#91

Frater Tom Mooberry hails from Maryville, MO and graduated high school there in 1955. He attended NWMSC from 1956 - 1959, studying Speech and Psychology, which today would be a degree program similar to Public Relations.

In short: Tom Mooberry – is Frater, father, a devoted and loving husband, and the hardest working man on your staff if you were lucky enough to employ him. Tom is a world class character, a scholar of people, relationships, and life. A man of MANY words - but also a man of his word, and a best friend to many. Read the full profile for Frater Mooberry and others on the NWTKE.com web site.

Frater Peitzmeier's family named 2013 Family of the Year

The entire Delta-Nu Active and Alumni chapter sends warm congratulations to the Peitzmeier family.

Maryville, MO – Frater Tim Peitzmeier's family was recognized as Northwest Missouri State's Family of the Year for 2013. Sponsored by Campus Dining the Family of the Year is bestowed each fall during the University's Family Weekend festivities.

The family includes Frater Tim Peitzmeier, a 2009 and 2011 Northwest graduate, and his wife, Aimee (Freeman) Peitzmeier, a 2010 graduate; Melissa Peitzmeier, a 2013 graduate; as well as Megan

Letter from Grammateus -Tobias Weddle, 1597

Delta-Nu as a whole has been very busy since the 2013 Spring semester. We are striving to become more involved on our Northwest campus, including athletic, philanthropic and other social events. This summer we sent Frater Corey Jung (1587) and myself (1597) to Conclave in Washington, DC which is the TKE National conference.

Our Chapter received Excellence awards in Campus Involvement, Alumni Relations, Chapter Size and Chapter Recruitment. Also Frater Gunnerson Sumy (1564) received an

individual Top TKE award. This is for the most prestigious TKE individual in the nation

and hasn't been won by a Delta-Nu since Frater Mark Gerling (1044).

This year we will continue to strive for the Chapters' 9th Top TKE award. With fall rush and the new school year starting, we are becoming increasingly busy. This year our rush events include a field day at the house where the potential new members can participate in various games at the house. We will also have batting cages, and a car smash. We are hoping to continue our traditional gatherings with alumni during homecoming which is Oct 26, 2013 and the game vs Pitt State at Arrowhead stadium which is Oct 19, 2013.

Letter from Epiprytanis -Jared Moore, 1595

The chapter is currently going through recruitment and trying to find men we believe can fill our motto. Although numbers are low for men going through recruitment, we have had a strong showing of around 50 potential new members at open house. Starting September 9th, we will be having three different rush events for three straight days where we hope to convince many more to pledge Tau Kappa Epsilon. Our goal is to sign at least 40 bids on bid-day, Friday, September 13th.

The active chapter has already been signing up to participate in the earliest intramural sports of the year, including softball. We hope to win the Intramural Supremacy trophy for a second straight year through participation and by winning most overall.

This year it is my goal to raise at least \$4,700 through fundraising for the chapter. Last year we held a very successful pool tournament at Carson's, drawing students and locals to participate. In a matter of 2-3 hours we had raised almost \$300. The pool tournament is a great way for us to make a couple hundred dollars every month. I am also enlisting at least one person to be a fundraising chair to help create and run fundraisers for the chapter. We are currently brainstorming ideas like concerts, "TKE-Stock", and many other ways to raise large amounts of money for the chapter.

Alumni Social Report - Kevin Kemmerer, 648

Following a highly successful Annual Delta Nu Memorial Golf Tournament and weekend, it's been a bit of a quiet stretch. We had a variety of challenges that prevented us from having a summer Reunion / Party in Kansas City this year. We simply were not able to coordinate dates and available locations. This event will be back on the calendar in 2014.

There also was an initiative to put together a golf tournament in late summer or early fall in Kansas City. Unfortunately course availability on the

dates we had targeted fell through. This event is on the drawing board as well for 2014.

The Fall Classic at Arrowhead between the Bearcats and Pitt State was Saturday, October 19 @ 3:00. It appears that this may very well be the last installment of this event as the restructured MIAA schedule does not have Northwest and Pitt State playing in 2014.

The annual Homecoming game was the very next weekend on Saturday, October 26 @ 2:00. Coordinating with the Active Chapter, those in attendance were able to view the latest improvements to the House and got a chance to know members of the Active Chapter.

As always, we continue to have a standing monthly Get Together in Kansas City on the second Wednesday of each month at 5:00. Generally this event is at Tanners in Overland Park, but we also have had it at other locations from time to time. We can help promote them on Facebook and the Website.

New Display in Board Room

Alumni Historian Report– Ed Probst, 276

The numerous awards won by Delta Nu demonstrate the high quality of young men that the chapter has been able to recruit and develop over the years. Our members have earned eight Top TKE Chapter Awards along with four Top TEKE Awards that. Each year TKE International awards its highest individual honor; Top TEKE, to a senior or graduate student for outstanding performance as a member of Tau Kappa Epsilon. Delta Nu now has four fraters who have so been honored. Winners include John Moore - 697; Steve

Moss - 927; Mark Gerling - 1044 and this year's winner Gunner Sumy - 1564.

Congratulations Gunner! A new display has been hung in the Board Room.

We continue to fill the walls with memorabilia including 9 small composites, a GPA Award Shield and a number of small group pictures. Items donated by Fraters Phil Burbeister-315 and Dick Jackson-264 have also been put on display. Thanks Phil and Dick.

If you have any TKE memorabilia that you would like to donate to the house, please contact us and we will make arrangements to pick them up. Remember to either renew or join the Delta Nu Alumni Association.
