Fundraising Update:

Sixth Edition

July 1999

Fellow Fraters of Delta Nu;

It is with great pleasure that I report to you that construction on our new TKE House is nearing completion! The plan is for the house to be ready for occupancy in August, we may still be waiting on the lawn and landscaping, but if all goes according to plan it will be ready for the fall semester. It is truly exciting that the volunteer efforts of the Delta Nu alumni who are involved as members of the Board of Trustees and Fundraising committee are beginning to pay dividends!

The goal before us to get a new house built for Delta Nu, and ensure the fraternities future has been a real challenge. This project would never have been a reality without the time and dedication of the two groups of Delta Nu alumni who have been the driving force behind this project. As you can imagine, being involved on a day to day and week to week basis on a project of this magnitude can require a lot of time and attention. With these efforts and support of the Delta Nu fraters who's names appear on the following pages as financial contributors we would not be the talk of Maryville and the Northwest campus. The level of excitement around Delta Nu is building to what I'm sure will be an all time high! These fraters and their dedication to TKE are why we are now well underway to having the first true fraternity house on the Northwest campus.

As of today, \$145,000.00 has been pledged with \$90,000.00 already collected. Our goal for the alumni portion of the project remains at \$200,000 pledged from Delta Nu Alumni by the year 2000. The quick math shows us \$55,000 still needs to be raised from the remaining 1000 Alumni. Additionally, our goal is to collect the pledges in full before the end of the year 2000. This of course is the goal set by the Fundraising committee back in June of 1997.

As is the true with most building projects, we as a committee and the Board of Control had to reevaluate, retool and change some of our original plans for the new house. For example the final workable contract for building the new house. Due to the soil testing that was done at the new TKE site, we are unable to accommodate a basement. Also the final bid that was accepted was \$70,000 over budget. After reviewing, cutting back, and modifying the plans, the bid just over \$600,000 was accepted and we are now moving forward with the project. With all those considerations, our timetable for getting the house open is about 6 months behind the original schedule. Being ready for the fall semester and fall rush is now the immediate goal.

Another main factor in the delay with construction was and still is money. When we started asking banks for their backing we were 6 months into our fundraising. We actually thought we would have at least half of our \$200,000 goal pledged and the remaining half within a year, with collection of the pledges coming within the next 2 years. Admittedly, our time schedule was aggressive and a bit naive, but our enthusiasm for this project remains high as we get even closer to completion of the new TKE House. If you haven't shared this enthusiasm, make the effort to check it out. There are a number of ways to get up to date on this exciting project. Use the TKE web site, call a member of the Board of Trustees or Fundraising committee, drive to Maryville and check out the construction for yourself! The job of asking fellow fraters for money is not a fun job and not easy to do, but, as they say, "Somebody has to do it." Help us out and make the move to get on board and make our job a little easier. If you haven't done so, fill out the enclosed envelope. Or if you have already made a pledge and need to make a payment, you too can use the envelope.

As has always been the goal of Delta Nu Alumni, having a great TKE Chapter and an environment that promotes Love, Charity and Esteem as well as providing a positive college and leadership experience is our underlying and continuing theme for now and the future!! We look forward to hearing from you as well as seeing you at the formal dedication of the new Delta Nu TKE house scheduled for Saturday, November 13.

Yours in the bond,

Joe Saubers #930 Co-Chairman Fundraising Committee Dear Fraters: Thank you for your assistance with the Delta Nu, new house fundraising campaign. Cash and pledges received by July 1, 1999 totals \$150,249.75 Dwight Grantham #125, Treasurer

from active chapter '97-'98	

Northwest Missouri State TKE Alumni are planning a formal dedication ceremony for the new Delta Nu chapter TKE house located at 555 W. 9<sup>th</sup> Street. The dedication is scheduled for Saturday, November 13, 1999, which marks three full years since fire destroyed their former home of 38 years at 222 W. Cooper Street.

The dedication ceremony is open to all Delta Nu TKE alumni and undergraduate members as well as friends of TKE throughout the Northwest Greek system, University officials and other community and alumni leaders. The dedication ceremonies will begin at 10:30 a.m. Other events are scheduled throughout the day for all TKE Alumni and undergraduate members and their spouses. Special guests of the day include the first 100 members of the fraternity. These TKE Alumni made it possible to purchase the former chapter house on Cooper street in 1958.

A section of tickets to that day's football game against Central Missouri State will also be reserved for Tekes. For more information on tickets for the TKE section at the football game, contact TKE Alumnus Michael Reiff.

A history of TKE's Delta Nu chapter which was chartered at Northwest in 1954 is being compiled by TKE alumnus Jerry Knauss who pledged the fraternity in 1964. Each TKE alumnus attending the dedication ceremony in November will receive a personal copy of the commemorative history. Knauss is currently compiling information to be included in the history book. TKE alumni are encouraged to forward pictures, stories or other TKE memorabilia to Knauss at the following address:

532 North Gertrude Street, Burlington, IA 52601. (319)752-8624

he can also be reached via e-mail at: gbkcfans@interl.net

(All items forwarded will be returned at the dedication ceremony.)

Specific information which is needed includes a list of all TKE chapter Presidents, House Managers and House mothers. Additionally, the history of the TKE bell and fire truck from the 1970's is needed. Other ideas for the history include words to old TKE songs and chants as well as other Teke sayings and traditions. Other ideas or suggestions for inclusion in the TKE history are welcomed and encouraged. Please give Jerry a call!

Anyone wishing to support the fund for the new TKE house is encouraged to contact TKE fundraising Treasurer Dwight Grantham, (712)243-3378. Checks can be mailed to him at: 1105 E. 12<sup>th</sup> St., Atlantic, IA 50022.

To all Tekes: for more information on the New House Dedication, please contact Lee King at (402) 896-1938 or Michael Reiff at (402) 734-5558. More details will also follow in upcoming announcements and issues of *The Delta Nu Review*.

#### DELTA NU CHAPTER OF TAU KAPPA EPSILON

Due to the loss of most of the records, etc. in the house fire of 1996 we are in the process of obtaining information about Delta Nu. Especially needed are pictures of the old house, information on when, where, and how the chapter came to be and any stories that would be of interest to alumni, actives, and those that will become a part of TKE in the future. This will make a good pledge training material. Also, information on past officers, house mothers, Top TKE Awards, other happenings that occurred during your years as a TKE. Nothing is too trivial. The more to sift through the better. All pictures will be returned if your name and address are written on the back. Good, clear,copies of photos is acceptable also.

This historical record will be made available at the New House Dedication on November 13, 1999, so please send them soon.

Please send any information you can to :
