Tau Kappa Epsilon
Bob Noren, President Delta Nu Alumni Association

Letter from the President

August 2024

Good Day Fraters,

It is my pleasure to present to you the latest edition of the Delta Nu Review. The Alumni Association leadership continues to focus on elevating the alumni experience as well as supporting and serving our active Chapter by providing leadership, mentorship, and scholarships.

The Alumni Association Annual Meeting was held at the Northwest campus in Kansas City, attended by over 30 Fraters. We reviewed the accomplishments and activities of 2023 and discussed our plans for 2024, which included celebrating the 70th Anniversary of TKE Delta Nu. This celebration was a huge success for our mission and brought together alumni from all over the country.

I continue to be amazed by the hard work, commitment, and enthusiasm of this group year after year in pursuit of our mission. Those efforts were rewarded with recognition at this year's Conclave with a **Top Teke Alumni Association Award**. I invite you to come along with us for the exciting year we have ahead.

Yours in the Bond,
Bob Noren
Alumni Association Board President (910)

Homecoming October 19, 2024 (Saturday) 2:00 PM vs Central Missouri

TKE chapter invites all alumni to the house after the parade at approximately 11:00 AM for lunch. Bring your own beverages. Please bring a side dish or cookies. TKE alumni Jason McClintock is overseeing the event with his active TKE son. Please email Jason to let him know you're coming at: drspin2001@yahoo.com . Last year's gathering was over 50 TKE's so we look forward to having more attend this year! Please RSVP so we can get a good count for food.

SAVE THE DATE - TKE Golf May 30-31, 2025 (Thursday and Friday)

Mark your calendars (May 30 – 31, 2024) and save the date for next year's festivities with the 2-man blind draw Johnny U on Thursday, and the 4-man Memorial Scramble on Friday, so make plans to stay until Saturday.

TEKE Leadership at Northwest

TKE's Leadership and Influence at Northwest Missouri State University

Tau Kappa Epsilon (TKE) has established a significant presence and influence at Northwest Missouri State University over the past several years. This commitment to leadership and service is demonstrated through the active involvement of our members in key positions within the University's governance and development structures.

Board of Regents

TKE proudly contributes two esteemed members to the Northwest Missouri State University Board of Regents. Fraters John Moore (697) and Jason Klindt (1278) play a critical role in shaping the strategic direction of the University, ensuring that it remains a leader in higher education and continues to fulfill its mission of providing excellent educational opportunities.

Faculty and Staff Contributions

TKE members also hold vital positions among the faculty and staff at Northwest Missouri State University. Currently, four TKE members serve in these roles, Chris Holder (1362), Matt Johnson (1230), Bayo Joachim (1500) and Mark Hendrix (1689) bring their expertise, dedication, and innovative ideas to the academic and administrative functions of the university. Their contributions help to foster a dynamic and supportive learning environment for all students.

Foundation Board Involvement

TKE's commitment to the University's growth and success is further exemplified by our involvement with the Northwest Missouri State University Foundation Board. More than ten present and past TKE members have served on this board, providing valuable insights and leadership in fundraising and development efforts. Their work ensures that the University has the resources needed to support scholarships, enhance campus facilities, and fund vital programs. These fraters are Don D. Beeson (78), Art A. Jablonski (604), Ronald C. Woolsey (633), Terry L. French (645), John F. Moore (697), Dan J. Runde (842), Rich W. Tokheim (844), Rex D. Brod (860) Owen L. Straub (961) and Jeffrey C. Borchardt (Xi-Eta146)

Interfraternity Council Leadership

In addition to these roles, TKE members hold key leadership positions within the Interfraternity Council (IFC). Specifically, Frater Sal M. Bonadonna (1743) currently serve as the President and Frater Jackson C. Faulkner (1739) as Vice President of Philanthropy for the IFC. Their leadership in these roles underscores TKE's commitment to fostering a strong, service-oriented fraternity community and promoting philanthropic efforts across the Greek community.

Chapter Advisor Report

The chapter currently has 30 active members; including the 12 new members picked up this fall through recruitment. They plan to enter the fall semester with 30 active members. The chapter scored 95% on their KRAs. They start Recruitment as soon as they return on August 25th. The house is currently at 16-member occupancy with a goal of 20-member occupancy for the 2025-26 school year. The 2024 Conclave was held in Jacksonville FL on Aug 1 - 4th and there were three members of the chapter in attendance!

The photo above is of the RCB held in Nashville, TN this spring and was very well attended as you can see!

2024 Capital Improvements Campaign

Capital Improvements Report

This is an update of the goals and objectives for “CI”, both long-term and short-term. The fund exists to support improvements or enhancements to the TKE house or property. Fraters (and others) make non-tax-deductible donations to the TKE House Capital Improvement Fund. They receive recognition of their lifetime donations achieving different levels of “brick” on The Richard W. Wiles (ΔN 365) Teke for Life Alumni Donor Wall”. There are 7 levels of donors reflecting the total amount of individual lifetime donations starting at \$500. Chapter Eternal Fraters may be recognized by a donation in his name to the Memorial Wall.

Fraters’ contributions support the future of Delta Nu’s physical presence at Northwest Missouri State University. You can view the virtual by clicking on this link:

- The Richard W. Wiles Teke for Life Alumni Donor Wall
- <https://www.nwtke.com/tke-house-capital-improvements/>

Capital Improvement funds were used for LED light conversion on the outside parking lot lights to reduce utility expense and plans are underway to repair the front steps and some brick work and tuckpointing on the front entry.

We must maintain our beautiful house and make it an inviting place to live. Look for more information about Capital Improvements on the website.

Again, thank you for your generous contributions!

Frater Profile – Frater Doug Kever (344)

THE DOUG KEEVER WAY

Back in 1964, dinners were served at the TKE House every evening at the same time and ALL members of the Fraternity were required to attend and remain standing until Mrs. Holman entered the room and was seated. She would share life lessons of manners and how to behave, including but not limited to... not interrupting or talking over each other, using a napkin and not talking with our mouths stuffed full of food.

Frater Doug Kever (DN 344) also remembers, “We had a blast with food riots and panty raids until one time Mrs. Holman scolded me, “BEHAVE LIKE A GENTLEMAN!!!”, she said. Looking back, I’ve grown to appreciate her role in the TKE House, educating and guiding us as young men. It’s funny, somehow, I wish the new members today could have a similar experience to what I had back then.”

Doug started at Northwest Missouri in the fall of 1963 where he could live at home and commute to save money. “My high school typing teacher, Mike Stevens (DN-205) suggested I attend the smoker at the TKE House to see if I liked hanging out with any of the guys there. I did and even knew a few that were from Maryville.”

Doug’s Pledge Pop was Gary Willett (DN 312) “He had a pet alligator that I had to take care of and “Being a local boy, when one of my pledge brothers and I got dumped in Burlington Iowa, we were back in Maryville before the actives. We thought we were pretty smart, until they made us pay for our attitude one way or the other. We learned to be humble real quick back then!”

Before Doug could complete his studies, his draft number came up, so he chose to enlist in the United States Air Force, serving as a radio operator in Africa and Spain. When he got out of the service, he returned to Northwest to get his degree in Marketing on the GI Bill. From there, it didn’t take long for Doug to land a job with Armor Meats as a sales rep before returning to Northwest to earn an Art Degree in December 1976. He taught Art for 25 years in Stanberry and retired in 2002.

Frater Kever served on the TKE Board of Control as President from 1992 to 1995 and has been a dues member of the Delta Nu Alumni association for more than 16 years.

Doug said, **“he enjoyed the brotherhood and stays connected with many alumni members over the last 50 plus years.”**

Doug was born in Kansas City in 1945, he and his family moved to Maryville, MO a year later and lived on the town square for this first 6 years, before moving to a 4-acre farm north of town to raise cows, chickens, pigs, and horses. When Doug was 12 his family moved into town to 4th Street. He attended Maryville High School and was in the Spanish Club and wrestled his senior year at “122 lbs. Dynamite.” Doug met his wife, Caroline, while attending Northwest and they were married in 1972. They have 3 children, 2 boys and a girl plus 5 grandchildren. They are his proudest accomplishments!

Frater Profile – Frater Scott Meier (868)

SCOTT MEIER LESSONS LEARNED

Laid back, trustworthy, humble, and above all service minded... these are attributes we can use to describe our Delta NU Frater, Scott Meier. Scott joined Tau Kappa Epsilon in 1980 and served at separate times as the Social Chairman and Vice President, paying for college as Head Resident Assistant through the Work Study Program. Scott also participated in his first two years in college on the wrestling team. Rumer had it back then that IOWA turned out pretty good wrestlers.

Scott and I hit it off right away, he has a way of making people feel comfortable. I started my Junior year on the Football team, weighing approximately 215 pounds and Scott, my Resident Assistant, weighing 137 lbs. soaking wet, asked me if I wanted to wrestle on the TKE RED carpet. HUH, what was he thinking? I couldn't wait! The lesson I learned that day, there is more to wrestling than weight and there was more to learn from my new friend, Scott.

After my butt whipping, Scott informed me friendly competitions like this happened regularly at the TKE House and this was one of many activities Fraters enjoyed together. How could I not join TEKE! My hope is as you read about Scott's life we can share a smile and perhaps a toast in person with Scott soon.

Scott grew up in a town of 700 people called Carson, Iowa. His graduating class was small, it only had 17 people in it. His Mother, Norma was a schoolteacher, and his Father Don was an Airman Mechanic who took up farming and then later opened Don's Conoco Gas Station. Scott's Sister Brenda served in U.S. Airforce Intelligence and became a high school Science teacher and lives in Linden VA. His brother Craig served in U.S. Army Medicine and is a family Physician in Elkhorn, NE. And his youngest sister Melanie has a banking background and is a Business Owner in Council Bluffs, IA.

Scott joined the Army in 1988, he attended basic training in Fort Leonard Wood, MO and after, he went to the US Army Intelligence Center and School (USAICS), Fort Huachuca, AZ. Scott deployed to Panama, August 1999 and was in "Just Cause." In August 2000, Scott was assigned to the 902nd Military Intelligence Group, Pentagon. In October 2000, he deployed on mission for Desert Shield and Storm. He then was reassigned under INSCOM in 2003 where he led the first domestic military espionage case with special tradecraft on U.S. soil since 1972. He transitioned out of the military in 2004 and contracted back to U.S. Government agencies.

In 2007, Scott was selected from 25,000 qualified and vetted candidates in the Baltimore/Washington, DC/Norfolk region for one of 56 FBI Special Agent Academy seats to start 2007. After graduating from FBI Academy, he supported White Collar Crime, Foreign Counterintelligence, Domestic Terrorism, and was a pilot for air operations and a member of the SWAT team.

Scott transitioned to a company that contracts to the U.S. government where he has been for 25 years. As a Vice President, he has the honor of working with and leading a team of skilled employees servicing over 25 federal agencies throughout the years and is looking to retire soon!

SCOTT MEIER LESSONS LEARNED - Continued

Continued

Scott is very happily married to Critia Rowlette. They married in 2013 in Maryville, MO and had their reception in the brand new TKE house on NWMSU Campus. Photos below.

Today Scott loves Motorcycle Touring: Worldwide Travel, participating in endurance events, Aviation, Volunteering time for missions in Uganda and Christ's Hands, Harlen/Wallins Creek, KY, fundraising for Jill's House, a respite care facility for kids with physical and intellectual disabilities.

Scott is a 2x Counterintelligence Special Agent Honor Graduate of USAICS, Graduated with Distinction FBI Academy, and other military and civilian distinctions as a contractor to the U.S, intelligence Community.

It is a challenge to capture anyone's life accomplishments in short form, but it was my privilege, with deep appreciation, to take a moment and spotlight our frater Scott Meier's life of service, as we continue to honor one another, and the impact Delta Nu men have made on America. Thanks for the many life lessons, Scott! They taste a lot better than the Red Carpet did back at 222. Bleck!

Scott Meier, "I am an ordinary man who stumbled often but through God's grace found a redeeming path in life, and I'm proud to say... **I am a TKE for life!**"

Delta Nu AA Membership Report

Why Should I Join the Alumni Association? What's in It for Me?

Our current alumni membership stands at 218 active members, with 29 Lifetime members and 68 expired memberships. We have added 13 new members so far in 2024, and we have 8 alumni who have not renewed from 2023. This is the largest in TKE Nation!!!

The mission of the Alumni Association is to offer multiple ways for Delta-Nu alumni to stay connected and engaged. We do this by hosting events throughout the year, such as the TKE Memorial Golf Tournament. But this is just the tip of the iceberg, and I encourage you to visit the TKE website at nwtke.com to find out everything the Alumni Association is involved with.

To keep things like this going, though, requires a lot of volunteers and quite frankly alumni willing to contribute financially.

How Can You Help Out?

The easiest way is to become regular dues-paying members. A three-year membership is only \$105. That's less than 9 1/2 cents a day, and the enrollment process is simple. You can pay online at nwtke.com/join-the-delta-nu-alumni-association/ via PayPal or credit card (to pay via a credit card, select the PayPal button, and the credit card option will be offered before you check out, which you can then select). Or, if you prefer, you can pay via check made out to the Delta-Nu Alumni Association C/O Brad Shelton, 1805 Arabian Ave., Naperville, IL 60565.

Benefits of Joining the Alumni Association

So, why should you join the Alumni Association? What's in it for you? Here are some benefits:

- Discounted Fees for Alumni-Sponsored Events: Enjoy reduced costs for various alumni events.
- Occasional Perks: Sometimes we hand out drink tickets, free golf mulligans, or other TKE memorabilia.
- Scholarship Eligibility: Children of DN alumni members are eligible for scholarships.

These are just small perks. **The main reason we joined the DNAA is because we love the fraternity.** We differ in age and years of graduation, but we share a common bond of brotherhood. To those of you who are reading this but are not members, I say: **join today.** We need you on board to ensure that these strong traditions will continue for the generations of DN TKEs to come.

Remember, membership in TKE is a lifetime commitment, which broadens and deepens our understanding of the meaning of fraternal brotherhood.

YITB,
Steve Brightwell
DNAA Membership Chairman (775)

2024 Triangle Awards Update

The Delta Nu Hall of Honor Triangle Award was established in 2015 to recognize those Fraters who have excelled above and beyond expectations in their profession, in their community, within a civic organization or endeavor, with service to Tau Kappa Epsilon on the local level or within the international fraternity or to Northwest Missouri State University.

Significant accomplishments will be honored for areas in a Frater's life that truly exhibit the life skills that being a member of the Delta-Nu Chapter of TKE sought to enhance or instill in them during their college years at Northwest Missouri State. This year we recognized 3 new inductees, Bill Reiff, Randy Buxton and Bill Adams.
